Page 9, between lines 29 and 30, begin a new paragraph and insert: "SECTION 15. IC 6-1.1-12.1-4.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 4.5. (a) For purposes of this section, "personal property" means personal property other than inventory (as defined in IC 6-1.1-3-11(a)).

(b) An applicant must provide a statement of benefits to the designating body. The applicant must provide the completed statement of benefits form to the designating body before the hearing specified in section 2.5(c) of this chapter or before the installation of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment for which the person desires to claim a deduction under this chapter. The department of local government finance shall prescribe a form for the statement of benefits. The statement of benefits must include the following information:

- (3) An estimate of the cost of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.
- (4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, an estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products by the new manufacturing equipment.

The statement of benefits may be incorporated in a designation application. Notwithstanding any other law, a statement of benefits is a public record that may be inspected and copied under IC 5-14-3-3.

(c) The designating body must review the statement of benefits required under subsection (b). The designating body shall determine whether an area should be designated an economic revitalization area or whether the deduction shall be allowed, based on (and after it has made) the following findings:

- (1) Whether the estimate of the cost of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment is reasonable for equipment of that type.
- (2) With respect to:

- (A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste

or hazardous waste into energy or other useful products; and
(B) new research and development equipment, new logistical distribution equipment, or new information technology equipment;

whether the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the installation of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(3) Whether the estimate of the annual salaries of those individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed installation of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, whether the estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products can be reasonably expected to result from the installation of the new manufacturing equipment.

(5) Whether any other benefits about which information was requested are benefits that can be reasonably expected to result from the proposed installation of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(6) Whether the totality of benefits is sufficient to justify the deduction.

The designating body may not designate an area an economic revitalization area or approve the deduction unless it makes the findings required by this subsection in the affirmative.

(d) Except as provided in subsection (h), **and subject to subsection (i)**, an owner of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment whose statement of benefits is approved after June 30, 2000, is entitled to a deduction from the assessed value of that equipment for the number of years determined by the designating body under subsection (g). Except as provided in subsection (f) and in section 2(i)(3) of this chapter, **and subject to subsection (i)**, the amount of the deduction that an owner is entitled to for a particular year equals the product of:

(1) the assessed value of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment in the year of deduction under the appropriate table set forth in subsection (e); multiplied by

(2) the percentage prescribed in the appropriate table set forth in subsection (e).

(f) With respect to new manufacturing equipment and new research and development equipment installed before March 2, 2001, the deduction under this section is the amount that causes the net assessed value of the property after the application of the deduction under this section to equal the net assessed value after the application of the deduction under this section that results from computing:

- (1) the deduction under this section as in effect on March 1, 2001; and
- (2) the assessed value of the property under 50 IAC 4.2, as in effect on March 1, 2001, or, in the case of property subject to IC 6-1.1-8, 50 IAC 5.1, as in effect on March 1, 2001.

(g) For an economic revitalization area designated before July 1, 2000, the designating body shall determine whether a property owner whose statement of benefits is approved after April 30, 1991, is entitled to a deduction for five (5) or ten (10) years. For an economic revitalization area designated after June 30, 2000, the designating body shall determine the number of years the deduction is allowed. However, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

- (1) as part of the resolution adopted under section 2.5 of this chapter; or
- (2) by resolution adopted within sixty (60) days after receiving a copy of a property owner's certified deduction application from the county auditor. A certified copy of the resolution shall be sent to the county auditor.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(h) The owner of new manufacturing equipment that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

- (1) is convicted of a violation under IC 13-7-13-3 (repealed),

IC 13-7-13-4 (repealed), or IC 13-30-6; or

(2) is subject to an order or a consent decree with respect to property located in Indiana based on a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate potential for harm.

(i) For purposes of subsection (d), the assessed value of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment that is part of an owner's assessable depreciable personal property in a single taxing district subject to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 is the product of:

(1) the assessed value of the equipment determined without regard to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9; multiplied by

(2) the quotient of:

(A) the amount of the valuation limitation determined under 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 for all of the owner's depreciable personal property in the taxing district; divided by

(B) the total true tax value of all of the owner's depreciable personal property in the taxing district that is subject to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 determined:

- (i) under the depreciation schedules in the rules of the department of local government finance before any adjustment for abnormal obsolescence; and**
- (ii) without regard to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9."**

Page 10, between lines 13 and 14, begin a new paragraph and insert:

"SECTION 17. IC 6-1.1-15-4, AS AMENDED BY P.L.199-2005, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) After receiving a petition for review which is filed under section 3 of this chapter, the Indiana board shall conduct a hearing at its earliest opportunity. The Indiana board may:

(1) assign:

- (A) full;
- (B) limited; or
- (C) no;

evidentiary value to the assessed valuation of tangible property determined by stipulation submitted as evidence of a comparable sale; and

(2) correct any errors that may have been made, and adjust the assessment in accordance with the correction.

(b) If the Indiana board conducts a site inspection of the property as part of its review of the petition, the Indiana board shall give notice to all parties of the date and time of the site inspection. The Indiana board is not required to assess the property in question. The Indiana board shall give notice of the date fixed for the hearing, by mail, to the taxpayer and to the appropriate township assessor, county assessor, and county auditor. With respect to an appeal of the assessment of real property or personal property filed after June 30, 2005, the notice must include the following:

- (1) The action of the county property tax assessment board of appeals with respect to the appealed items.

(2) A statement that a taxing unit receiving the notice from the county auditor under subsection (c) may:

- (A) attend the hearing; and
- (B) offer testimony.

~~A taxing unit that receives a notice from the county auditor under subsection (c) is not a party to the appeal.~~ The Indiana board shall give these notices at least thirty (30) days before the day fixed for the hearing. The property tax assessment board of appeals that made the determination under appeal under this section may, with the approval of the county executive, file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the property tax assessment board of appeals in filing the amicus curiae brief shall be paid from the property reassessment fund under IC 6-1.1-4-27.5. The executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment is under appeal is subject to assessment by that taxing unit.

(c) If, after receiving notice of a hearing under subsection (b), the county auditor determines that the assessed value of the appealed items constitutes at least one percent (1%) of the total gross certified assessed value of a particular taxing unit for the assessment date immediately preceding the assessment date for which the appeal was filed, the county auditor shall send a copy of the notice to the affected taxing unit. **A taxing unit that receives a notice from the county auditor under this subsection is not a party to the appeal.** Failure of the county auditor to send a copy of the notice to the affected taxing unit does not affect the validity of the appeal or delay the appeal.

(d) If a petition for review does not comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter, the Indiana board shall return the petition to the petitioner and include a notice describing the defect in the petition. The petitioner then has thirty (30) days from the date on the notice to cure the defect and file a corrected petition. The Indiana board shall deny a corrected petition for review if it does not substantially comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter.

(e) The Indiana board shall prescribe a form for use in processing petitions for review of actions by the county property tax assessment board of appeals. The Indiana board shall issue instructions for completion of the form. The form must require the Indiana board to indicate agreement or disagreement with each item that is:

- (1) if the county or township official held a preliminary conference under section 1(f) of this chapter, indicated on the petition submitted under that section by the taxpayer and the official; and
- (2) included in the county property tax assessment board of appeals' findings, record, and determination under section 2.1(d) of this chapter.

The form must also require the Indiana board to indicate the issues in dispute and its reasons in support of its resolution of those issues.

(f) After the hearing the Indiana board shall give the petitioner, the township assessor, the county assessor, **and** the county auditor: ~~and the affected taxing units required to be notified under subsection (c):~~

- (1) notice, by mail, of its final determination;
- (2) a copy of the form completed under subsection (e); and
- (3) notice of the procedures they must follow in order to obtain court review under section 5 of this chapter.

The county auditor shall provide copies of the documents described in subdivisions (1) through (3) to the taxing units entitled to notice under subsection (c).

(g) Except as provided in subsection (h), the Indiana board shall conduct a hearing not later than nine (9) months after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(h) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a general reassessment of real property takes effect under IC 6-1.1-4-4, the Indiana board shall conduct a hearing not later than one (1) year after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(i) Except as provided in subsection (j), the Indiana board shall make a determination not later than the later of:

- (1) ninety (90) days after the hearing; or
- (2) the date set in an extension order issued by the Indiana board.

(j) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a general reassessment of real property takes effect under IC 6-1.1-4-4, the Indiana board shall make a determination not later than the later of:

- (1) one hundred eighty (180) days after the hearing; or
- (2) the date set in an extension order issued by the Indiana board.

(k) ~~Except as provided in subsection (p);~~ The Indiana board may not extend the final determination date under subsection (i) or (j) by more than one hundred eighty (180) days. If the Indiana board fails to make a final determination within the time allowed by this ~~subsection,~~ **section after a hearing,** the entity that initiated the petition may:

- (1) take no action and wait for the Indiana board to make a final determination; or
- (2) petition for judicial review under section 5(g) of this chapter.

(l) A final determination must include separately stated findings of fact for all aspects of the determination. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Findings must be based exclusively upon the evidence on the record in the proceeding and on matters officially noticed in the proceeding. Findings must be based upon a preponderance of the evidence.

(m) The Indiana board may limit the scope of the appeal to the issues raised in the petition and the evaluation of the evidence presented to the county property tax assessment board of appeals in support of those issues only if all persons participating in the hearing required under subsection (a) agree to the limitation. A person participating in the hearing required under subsection (a) is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the county property tax assessment board of appeals.

(n) The Indiana board:

- (1) may require the parties to the appeal to file not more than five (5) business days before the date of the hearing required under subsection (a) documentary evidence or summaries of statements of testimonial evidence; and
- (2) may require the parties to the appeal to file not more than fifteen (15) business days before the date of the hearing required under subsection (a) lists of witnesses and exhibits to be introduced at the hearing.

(o) A party to a proceeding before the Indiana board shall provide to another party to the proceeding the information described in subsection (n) if the other party requests the information in writing at least ten (10) days before the deadline for filing of the information under subsection (n).

(p) The county assessor may:

- (1) appear as an additional party if the notice of appearance is filed before the review proceeding; or
- (2) with the approval of the township assessor, represent the township assessor;

in a review proceeding under this section.

(q) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. If the final determination is based on a stipulated assessed valuation of tangible property, the Indiana board may order the placement of a notation on the permanent assessment record of the tangible property that the assessed valuation was determined by stipulation. The Indiana board may:

- (1) order that a final determination under this subsection has no precedential value; or
- (2) specify a limited precedential value of a final determination under this subsection."

"SECTION 21. IC 6-1.1-17-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) The officers of political subdivisions shall meet each year to fix the budget, tax rate, and tax levy of their respective subdivisions for the ensuing budget year as follows:

- (1) The fiscal body of a consolidated city and county, not later than the last meeting of the fiscal body in September.
- (2) The fiscal body of a second class city, not later than September 30.
- (3) The board of school trustees of a school corporation that is located in a city having a population of more than one hundred five thousand (105,000) but less than one hundred twenty thousand (120,000), not later than:

- (4) The proper officers of all other political subdivisions, not

later than September 20.

Except in a consolidated city and county and in a second class city, the public hearing required by section 3 of this chapter must be completed at least ten (10) days before the proper officers of the political subdivision meet to fix the budget, tax rate, and tax levy. In a consolidated city and county and in a second class city, that public hearing, by any committee or by the entire fiscal body, may be held at any time after introduction of the budget.

(d) If a deduction is not fully allowed under subsection (c) in the first year the deduction is claimed, then the percentages specified in subsection (a) apply in the subsequent years to the amount of deduction that was allowed in the first year.

(e) For purposes of subsection (a), the assessed value of new manufacturing equipment that is part of an owner's assessable depreciable personal property in a single taxing district subject to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 is the product of:

The initial day of the count shall fall within the first thirty (30) days of the school term. If, however, extreme patterns of student in-migration, illness, natural disaster, or other unusual conditions in a particular school corporation's enrollment on either the day fixed by the Indiana state board of education or on the subsequent adjustment date, cause the enrollment to be unrepresentative of the school corporation's enrollment throughout a school year, the Indiana state board of education may designate another day for determining the school corporation's enrollment. The Indiana state board of education

shall monitor changes that occur after the fall count, in the number of students enrolled in programs for children with disabilities and shall, before December 2 of that same year and, beginning in the 2004 calendar year, before April 2 of the following calendar year, make an adjusted count of students enrolled in programs for children with disabilities. The superintendent of public instruction shall certify the December adjusted count to the budget committee before February 5 of the following year and the April adjusted count not later than May 31 immediately after the date of the April adjusted count. In determining the ADM, each kindergarten pupil shall be counted as one-half (1/2) pupil. Where a school corporation commences kindergarten in a school year, the ADM of the current and prior calendar years shall be adjusted to reflect the enrollment of the kindergarten pupils. If the railroad or other corporation in some subsequent calendar year makes payment of the delinquent taxes, then the state superintendent of public instruction shall prescribe adjustments in the distributions of state funds pursuant to this chapter as are thereafter to become due to a school corporation affected by the delinquency as will ensure that the school corporation will not have been unjustly enriched under the provisions of P.L.382-1987(ss). House Concurrent Resolution 17

House Concurrent Resolution 17, sponsored by Senator Lubbers:

Whereas, From its creation, the school began establishing unheard of precedents, including admitting women on an equal basis with men, admitting students representing minorities, and allowing students, with parental consent, to choose subjects suited to their needs under a new "elective" system;

Whereas, Butler University also appointed Catharine Merrill as Demia Butler professor, and she became the first female professor of English literature in Indiana in 1870, making Butler the first in the nation to establish an endowed chair specifically for a female professor and only the second university to appoint a woman to the faculty;

Whereas, In 1875, the board of directors sold the downtown campus and moved the campus to Irvington;

Whereas, In 1879 the school became known as Butler University in honor of Ovid Butler, a prominent Indianapolis attorney and abolitionist who wrote the university's charter in 1850;

Whereas, Butler University continued to grow, adding the College of Education in 1930, the College of Business Administration in 1937, the College of Pharmacy in 1945, and the Jordan College of Music in 1951;

Whereas, To keep up with the growing needs of the academic community, Butler began offering evening courses in 1899, established a summer session in 1905, and created a graduate division in 1932; and

Whereas, Butler University will continue to grow on the solid foundation laid by its founders in 1855 and will continue to offer visionary ideas and innovative academic concepts to its students: Therefore,

Whereas, John Smith opened the first general store south of present day Main Street, and Jeremiah Cox built the first grist mill on land north of present day Main Street;

Whereas, In 1818, Jeremiah Cox was convinced that a town would inevitably be at that site and joined John Smith to form a town;

Whereas, On September 1, 1818, 24 qualified voters of the settlement met and voted to incorporate the town, naming it Richmond;

Whereas, The National Road, now U.S. 40, was surveyed to Richmond in 1827;

Whereas, A covered bridge across the Whitewater River in the Whitewater Valley Gorge was completed in 1836, alleviating a barrier to westward expansion;

Whereas, Earlham College, which is recognized today as one of the nation's best liberal arts colleges, was established by the Society of Friends in 1847;

Whereas, The first locomotive entered Richmond in March 1853, and the rail line was extended in 1854 to reach New Castle and, eventually, Chicago;

Whereas, The first library was established in 1864 by one of the earliest merchants, Robert Morrison, at a cost of \$20,000;

Whereas, In 1881, Richmond became the "Rose City" when E.G. Hill and his father, Joseph, began a general floral catalogue business that eventually became one of the world's largest producers of roses;

Whereas, By the early 20th century, Richmond had grown steadily in size, accomplishment, and confidence;

Whereas, Products manufactured such as Starr pianos, a variety of motor vehicles, McGuire lawnmowers, Gennett recordings, and Hill roses found world markets;

Whereas, A tragic explosion in 1968, which took 41 lives and did \$15,000,000 in damages, brought determined city leaders, merchants, and citizens together to create a new sense of community and a new downtown;

The resolution was read in full and adopted by voice vote. The

Whereas, Richmond is considered the Eastern Gateway of Indiana and, because of its ideal location along Interstate 70 on the border of Indiana and Ohio, has continued to offer its residents many great cultural, educational, and economic opportunities; and

"SECTION 4. IC 27-1-22-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 4. (a) Every insurer shall file with the commissioner every manual of classifications, rules, and rates, every rating schedule, every rating plan, and every modification of any of the foregoing which it proposes to use.

(b) **Except as provided in subsection (m),** the following types of insurance are exempt from the requirements of subsections (a) and (j):

- (1) Inland marine risks, which by general custom of the business are not written according to manual rates or rating plans.
- (2) Insurance, other than workers compensation insurance, ~~or professional liability insurance~~, issued to ~~exempt~~ commercial policyholders.

(c) Every such filing shall indicate the character and extent of the coverage contemplated and shall be accompanied by the information upon which the filer supports such filing.

(d) The information furnished in support of a filing may include:

- (1) the experience and judgment of the insurer or rating organization making the filing;
- (2) its interpretation of any statistical data it relies upon;
- (3) the experience of other insurers or rating organizations; or
- (4) any other relevant factors.

The commissioner shall have the right to request any additional relevant information. A filing and any supporting information shall be open to public inspection as soon as stamped "filed" within a reasonable time after receipt by the commissioner, and copies may be obtained by any person on request and upon payment of a reasonable charge therefor.

(e) Filings shall become effective upon the date of filing by delivery or upon date of mailing by registered mail to the commissioner, or on a later date specified in the filing.

(f) Specific inland marine rates on risks specially rated, made by a rating organization, shall be filed with the commissioner.

(g) Any insurer may satisfy its obligation to make any such filings by becoming a member of, or a subscriber to, a licensed rating

organization which makes such filings and by authorizing the commissioner to accept such filings on its behalf, provided that nothing contained in this chapter shall be construed as requiring any insurer to become a member of or a subscriber to any rating organization or as requiring any member or subscriber to authorize the commissioner to accept such filings on its behalf.

(h) Every insurer which is a member of or a subscriber to a rating organization shall be deemed to have authorized the commissioner to accept on its behalf all filings made by the rating organization which are within the scope of its membership or subscribership, provided:

(1) that any subscriber may withdraw or terminate such authorization, either generally or for individual filings, by written notice to the commissioner and to the rating organization and may then make its own independent filings for any kinds of insurance, or subdivisions, or classes of risks, or parts or combinations of any of the foregoing, with respect to which it has withdrawn or terminated such authorization, or may request the rating organization, within its discretion, to make any such filing on an agency basis solely on behalf of the requesting subscriber; and

(2) that any member may proceed in the same manner as a subscriber unless the rating organization shall have adopted a rule, with the approval of the commissioner:

(A) requiring a member, before making an independent filing, first to request the rating organization to make such filing on its behalf and requiring the rating organization, within thirty (30) days after receipt of such request, either:

- (i) to make such filing as a rating organization filing;
- (ii) to make such filing on an agency basis solely on behalf of the requesting member; or
- (iii) to decline the request of such member; and

(B) excluding from membership any insurer which elects to make any filing wholly independently of the rating organization.

(i) Under such rules as the commissioner shall adopt, the commissioner may, by written order, suspend or modify the requirement of filing as to any kinds of insurance, or subdivision, or classes of risk, or parts or combinations of any of the foregoing, the rates for which can not practicably be filed before they are used. Such orders and rules shall be made known to insurers and rating organizations affected thereby. The commissioner may make such examination as the commissioner may deem advisable to ascertain whether any rates affected by such order are excessive, inadequate, or unfairly discriminatory.

(j) Upon the written application of the insured, stating the insured's reasons therefor, filed with the commissioner, a rate in excess of that provided by a filing otherwise applicable may be used on any specific risk.

(k) An insurer shall not make or issue a policy or contract except in accordance with filings which are in effect for that insurer or in accordance with the provisions of this chapter. Subject to the provisions of section 6 of this chapter, any rates, rating plans, rules, classifications, or systems in effect on May 31, 1967, shall be continued in effect until withdrawn by the insurer or rating organization which filed them.

(l) The commissioner shall have the right to make an investigation and to examine the pertinent files and records of any insurer,

insurance producer, or insured in order to ascertain compliance with any filing for rate or coverage which is in effect. The commissioner shall have the right to set up procedures necessary to eliminate noncompliance, whether on an individual policy, or because of a system of applying charges or discounts which results in failure to comply with such filing.

(m) The department may adopt rules to

(1) implement the exemption under subsection (b);

(2) impose disclosure requirements the commissioner determines are necessary to adequately protect exempt commercial policyholders; and

(3) establish the form of the report required by subsection (n).

(n) Each insurer who issues insurance to an exempt commercial policyholder shall file an annual report with the department by February 1 of each year. The annual report may not disclose the identity of an exempt commercial policyholder and must include only the following information regarding each exempt commercial policyholder:

(1) The account number, policy number, or other number used by the insurer to identify the insured;

(2) The amount of aggregate annual commercial premium;

(3) The inception date and expiration date of commercial insurance coverage provided by the insurer;

(4) The criteria in section 2-5(a)(3) of this chapter used to establish the entity as an exempt commercial policyholder;

(o) The annual report filed under subsection (n) must be accompanied by the fee prescribed by IC 27-1-3-15(e). For purposes of calculating the required fee, each policy purchased by an exempt commercial policyholder shall be considered a product filing under IC 27-1-3-15(e).

(m) This subsection applies to an insurer that issues a commercial property or commercial casualty insurance policy to a commercial policyholder. Not more than thirty (30) days after the insurer begins using a commercial property or commercial casualty insurance:

(1) rate;

(2) rating plan;

(3) manual of classifications; or

(4) modification of an item specified in subdivision (1), (2), or (3);

the insurer shall file with the department, for informational purposes only, the item specified in subdivision (1), (2), (3), or (4). Use of an item specified in subdivision (1), (2), (3), or (4) is not conditioned on review or approval by the department. This subsection does not require filing of an individual policy rate if the original manuals, rates, and rules for the insurance plan or program to which the individual policy conforms has been filed with the department.

SECTION 8. IC 22-15-5-16 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 16. (a) A practitioner shall comply with the standards established under this licensing program. A practitioner is subject to the exercise of the disciplinary sanctions under subsection (b) if the department finds that a practitioner has:

- (1) engaged in or knowingly cooperated in fraud or material deception in order to obtain a license to practice, including cheating on a licensing examination;
- (2) engaged in fraud or material deception in the course of professional services or activities;
- (3) advertised services or goods in a false or misleading manner;
- (4) falsified or knowingly allowed another person to falsify attendance records or certificates of completion of continuing education courses provided under this chapter;
- (5) been convicted of a crime that has a direct bearing on the practitioner's ability to continue to practice competently;
- (6) knowingly violated a state statute or rule or federal statute or regulation regulating the profession for which the practitioner is licensed;
- (7) continued to practice although the practitioner has become unfit to practice due to:
 - (A) professional incompetence;
 - (B) failure to keep abreast of current professional theory or practice;
 - (C) physical or mental disability; or
 - (D) addiction to, abuse of, or severe dependency on alcohol or other drugs that endanger the public by impairing a practitioner's ability to practice safely;
- (8) engaged in a course of lewd or immoral conduct in connection with the delivery of services to the public;
- (9) allowed the practitioner's name or a license issued under this chapter to be used in connection with an individual or business who renders services beyond the scope of that individual's or business's training, experience, or competence;
- (10) had disciplinary action taken against the practitioner or the practitioner's license to practice in another state or jurisdiction on grounds similar to those under this chapter;
- (11) assisted another person in committing an act that would constitute a ground for disciplinary sanction under this chapter; or
- (12) allowed a license issued by the department to be:
 - (A) used by another person; or
 - (B) displayed to the public when the license has expired, is inactive, is invalid, or has been revoked or suspended.

For purposes of subdivision (10), a certified copy of a record of disciplinary action constitutes prima facie evidence of a disciplinary

action in another jurisdiction.

(b) The department may impose one (1) or more of the following sanctions if the department finds that a practitioner is subject to disciplinary sanctions under subsection (a):

- (1) Permanent revocation of a practitioner's license.
- (2) Suspension of a practitioner's license.
- (3) Censure of a practitioner.
- (4) Issuance of a letter of reprimand.
- (5) Assess a civil penalty against the practitioner in accordance with the following:

(A) The civil penalty may not be more than one thousand dollars (\$1,000) for each violation listed in subsection (a), except for a finding of incompetency due to a physical or mental disability.

(B) When imposing a civil penalty, the department shall consider a practitioner's ability to pay the amount assessed. If the practitioner fails to pay the civil penalty within the time specified by the department, the department may suspend the practitioner's license without additional proceedings. However, a suspension may not be imposed if the sole basis for the suspension is the practitioner's inability to pay a civil penalty.

(6) Place a practitioner on probation status and require the practitioner to:

- (A) report regularly to the department upon the matters that are the basis of probation;
- (B) limit practice to those areas prescribed by the department;
- (C) continue or renew professional education approved by the department until a satisfactory degree of skill has been attained in those areas that are the basis of the probation; or
- (D) perform or refrain from performing any acts, including community restitution or service without compensation, that the department considers appropriate to the public interest or to the rehabilitation or treatment of the practitioner.

The department may withdraw or modify this probation if the department finds after a hearing that the deficiency that required disciplinary action has been remedied or that changed circumstances warrant a modification of the order.

(c) If an applicant or a practitioner has engaged in or knowingly cooperated in fraud or material deception to obtain a license to practice, including cheating on the licensing examination, the department may rescind the license if it has been granted, void the examination or other fraudulent or deceptive material, and prohibit the applicant from reapplying for the license for a length of time established by the department.

(d) The department may deny licensure to an applicant who has had disciplinary action taken against the applicant or the applicant's license to practice in another state or jurisdiction or who has practiced without a license in violation of the law. A certified copy of the record of disciplinary action is conclusive evidence of the other jurisdiction's disciplinary action.

(e) The department may order a practitioner to submit to a reasonable physical or mental examination if the practitioner's physical or mental capacity to practice safely and competently is at issue in a disciplinary proceeding. Failure to comply with a department order to submit to a physical or mental examination

makes a practitioner liable to temporary suspension under subsection (j).

(f) Except as provided under subsection (g) or (h), a license may not be denied, revoked, or suspended because the applicant or holder has been convicted of an offense. The acts from which the applicant's or holder's conviction resulted may, however, be considered as to whether the applicant or holder should be entrusted to serve the public in a specific capacity.

(g) The department may deny, suspend, or revoke a license issued under this chapter if the individual who holds the license is convicted of any of the following:

- (1) Possession of cocaine ~~or~~ a narcotic drug ~~or~~ ~~methamphetamine~~ under IC 35-48-4-6.

(h) The department shall deny, revoke, or suspend a license issued under this chapter if the individual who holds the license is convicted of any of the following:

(k) On receipt of a complaint or an information alleging that a person licensed under this chapter has engaged in or is engaging in a practice that jeopardizes the public health, safety, or welfare, the department shall initiate an investigation against the person.

(l) Any complaint filed with the office of the attorney general alleging a violation of this licensing program shall be referred to the department for summary review and for its general information and any authorized action at the time of the filing.

(m) The department shall conduct a fact finding investigation as the department considers proper in relation to the complaint.

(n) The department may reinstate a license that has been suspended under this section if, after a hearing, the department is satisfied that the applicant is able to practice with reasonable skill, safety, and competency to the public. As a condition of reinstatement, the department may impose disciplinary or corrective measures authorized under this chapter.

(o) The department may not reinstate a license that has been revoked under this chapter. An individual whose license has been revoked under this chapter may not apply for a new license until seven (7) years after the date of revocation.

(p) The department shall seek to achieve consistency in the application of sanctions authorized in this chapter. Significant departures from prior decisions involving similar conduct must be explained in the department's findings or orders.

(q) A practitioner may petition the department to accept the surrender of the practitioner's license instead of having a hearing before the commission. The practitioner may not surrender the practitioner's license without the written approval of the department, and the department may impose any conditions appropriate to the surrender or reinstatement of a surrendered license.

(r) A practitioner who has been subjected to disciplinary sanctions may be required by the commission to pay the costs of the proceeding. The practitioner's ability to pay shall be considered when costs are assessed. "SECTION 2. IC 36-8-10-12.2, AS ADDED BY P.L.97-2005, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006 (RETROACTIVE)]: Sec. 12.2. (a) This section applies to a county that adopts a deferred retirement option plan as part of its retirement plan under this chapter.

(b) As used in this section, "DROP" refers to a deferred retirement option plan established under this section.

(c) As used in this section, "DROP frozen benefit" refers to a monthly pension benefit calculated under the provisions of a retirement plan established under this chapter based on the employee beneficiary's:

- (1) salary; and
- (2) years of service;

on the date the employee beneficiary enters the DROP.

(d) As used in this section, "maximum years of service" refers to the maximum number of years of service included in the monthly pension benefit calculation under a department's retirement plan.

(e) An employee beneficiary who:

- (1) is not yet credited with the maximum number of years of service; and
- (2) is eligible to receive an unreduced benefit immediately upon termination of employment;

may elect to enter a DROP. The employee beneficiary's election is irrevocable.

(f) The employee beneficiary exits a DROP on the earliest of the following:

- (1) The date that the employee beneficiary is credited with the maximum years of service under the retirement plan.
- (2) The employee beneficiary's retirement date.
- (3) The date any required benefit begins.

(g) The retirement benefit paid to the employee beneficiary who

participated in a DROP consists of:

- (1) the DROP frozen benefit; plus
- (2) an additional amount, paid as the employee beneficiary elects under subsection (h), determined in STEP THREE of the following formula:

STEP ONE: Multiply:

- (A) the DROP frozen benefit; by
- (B) the number of months the employee beneficiary participated in the DROP.

STEP TWO: Multiply the product determined in STEP ONE by an interest rate that does not exceed three percent (3%) annually.

STEP THREE: Add the product determined under STEP ONE and the product determined under STEP TWO.

(h) The employee beneficiary shall elect, at the employee beneficiary's retirement, to receive the additional amount calculated under subsection (g)(2) in one (1) of the following ways:

- (1) A lump sum.
- (2) An actuarially equivalent increase in the monthly pension benefit payable to the employee beneficiary.
- (3) A combination of (1) and (2).

(i) The cost of living payment determined under section 23 of this chapter does not apply to the additional amount calculated under subsection (g)(2). No cost of living payment is applied to a DROP frozen benefit while the employee beneficiary is participating in a DROP.

(j) If an employee beneficiary becomes disabled:

- (1) in the line of duty; or
- (2) other than in the line of duty;

benefits for the employee beneficiary are calculated as if the employee beneficiary had never entered the DROP.

(k) **Except as provided in subsection (m)**, if, before the employee beneficiary's monthly pension benefit begins, an employee beneficiary dies, in the line of duty or other than in the line of duty, death benefits are payable as follows:

- (1) The benefit under subsection (g)(2) is paid in a lump sum to the employee beneficiary's surviving spouse. If there is no surviving spouse, the lump sum must be divided equally among the employee beneficiary's surviving children. If there are no surviving children, the lump sum is paid to the employee beneficiary's parents. If there are no surviving parents, the lump sum is paid to the employee beneficiary's estate.
- (2) A benefit is paid on the DROP frozen benefit under the terms of the county's retirement plan.

(l) A DROP under this section must be designed to be actuarially cost neutral to the county's retirement plan.

(m) This subsection applies if:

- (1) **an employee beneficiary dies in the line of duty before payment of the employee beneficiary's monthly pension benefit begins; and**
- (2) **the calculation of a death benefit under the provisions of the county's retirement plan depends upon whether an employee beneficiary dies in the line of duty or other than in the line of duty.**

Death benefits for an employee beneficiary who dies in the line of duty are calculated under the provisions of the county's retirement plan as if the employee beneficiary had never entered the DROP and shall be adjusted as necessary to ensure

compliance with subsection (l)."

Delete everything after the enacting clause and insert the following:

SECTION 1. IC 8-22-3.5-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 1, 2006]: Sec. 3. (a) As used in this chapter, "qualified airport development project" means an airport development project that has a cost of the project (as defined in IC 4-4-10.9-5) greater than:

(1) five hundred million dollars (\$500,000,000), if the project is to be located in a county having a consolidated city; **or**

(2) two hundred fifty thousand dollars (\$250,000), if the project is to be located in:

(A) a city described in section 1(2) of this chapter; **or**

(B) in a county described in section 1(3), ~~or 1(4), or 1(5)~~ of this chapter.

~~(3) five hundred thousand dollars (\$500,000), if the project is to be located in a county described in section 1(5) of this chapter and is on the airport property; or~~

~~(4) two million dollars (\$2,000,000) if the project is to be located in a county described in section 1(5) of this chapter and is located outside of the airport property but within the area described in IC 8-22-3.5-5(f).~~

Except as provided by subsection (b), the term includes any portion or expansion of the original qualified airport development project used by one (1) or more successor tenants.

(b) For purposes of section 9 of this chapter, the definition of "qualified airport development project" does not include any portion of, or expansion of, the original qualified airport development project used by a successor tenant unless the commission adopts a resolution to amend the definition to include that portion or expansion.

SECTION 2. IC 8-22-3.5-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 1, 2006]: Sec. 5. (a) ~~Except as provided in subsection (f),~~ The commission may designate an area within the jurisdiction of an airport authority under IC 8-22-3 as an airport development zone if the commission finds by resolution the following:

(1) In order to promote opportunities for the gainful employment of the citizens of the eligible entity and the attraction of a qualified airport development project to the eligible entity, an area under the jurisdiction of the airport authority should be declared an airport development zone.

(2) The public health and welfare of the eligible entity will be benefited by designating the area as an airport development zone.

(b) If the airport development zone will be located in a consolidated city or in a county described in section 1(3), 1(4), or 1(5) of this chapter, the resolution adopted under subsection (a) must also include a finding that there has been proposed a qualified airport development project to be located in the airport development zone, with the proposal supported by:

- (1) financial and economic data; and
- (2) preliminary commitments by business enterprises that evidence a reasonable likelihood that the proposed qualified airport development project will be initiated and accomplished.

(c) If the airport development zone will be located in a city described in section 1(2) of this chapter, the resolution adopted under subsection (a) must also include findings stating that the most recent federal decennial census for the city indicates that:

- (1) the unemployment rate for the city is at least thirteen percent (13%);
- (2) the population of the city has decreased by at least ten percent (10%) as compared to the population reported in the preceding federal decennial census for the city;
- (3) the median per capita income for city residents does not exceed eighty percent (80%) of the median per capita income for all residents of the United States; and
- (4) at least twenty-five percent (25%) of the population of the city is below the federal income poverty level (as defined in IC 12-15-2-1).

(d) The resolution adopted under subsection (a) must describe the boundaries of the area. The description may be by reference to the area's location in relation to public ways or streams, or otherwise, as determined by the commission.

(e) If the airport development zone will be located in a county described in section 1(4) or 1(5) of this chapter, the resolution adopted under subsection (a) and any qualified airport development project to be located in the airport development zone, must be approved by the executive of:

- (1) the county, if the entire airport development zone or qualified airport development project will be located outside the boundaries of any municipality located in the county;
- (2) a municipality located in the county, if the entire airport development zone or qualified airport development project will be located within the boundary of the municipality; or
- (3) the county and a municipality located in the county, if the airport development zone or qualified airport development project will be located within the boundary of the county and in part within the boundary of the municipality.

~~(f) If the airport development zone will be located in a county described in section 1(5) of this chapter, the commission may designate the airport plus the area outside of the airport property but not to exceed a total area of three (3) square miles as an airport development zone; if the commission finds by resolution the following:~~

- ~~(1) In order to promote opportunities for the gainful employment of the citizens of the eligible entity and the attraction of a qualified airport development project to the eligible entity, an area under the jurisdiction of the airport authority should be declared an airport development zone;~~
- ~~(2) The public health and welfare of the eligible entity will be benefited by designating the area as an airport development~~

~~zone.~~

SECTION 3. IC 8-22-3.5-9, AS AMENDED BY P.L.246-2005, SECTION 84, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 1, 2006]: Sec. 9. (a) As used in this section, "base assessed value" means:

- (1) the net assessed value of all the tangible property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the commission's resolution adopted under section 5 ~~or 9.5~~ of this chapter, notwithstanding the date of the final action taken under section 6 of this chapter; plus
- (2) to the extent it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

However, subdivision (2) applies only to an airport development zone established after June 30, 1997, and the portion of an airport development zone established before June 30, 1997, that is added to an existing airport development zone.

~~(b) Except in a county described in section 1(5) of this chapter,~~ A resolution adopted under section 5 of this chapter and confirmed under section 6 of this chapter must include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section.

(c) The allocation provision must:

- (1) apply to the entire airport development zone; and
- (2) require that any property tax on taxable tangible property subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes in the airport development zone be allocated and distributed as provided in subsections (d) and (e).

~~(d) Except in a county described in section 1(5) of this chapter,~~ and as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

- (1) the assessed value of the tangible property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value;

shall be allocated and, when collected, paid into the funds of the respective taxing units.

~~(e) Except in a county described in section 1(5) of this chapter,~~ All of the property tax proceeds in excess of those described in subsection (d) shall be allocated to the eligible entity for the airport development zone and, when collected, paid into special funds as follows:

- (1) The commission may determine that a portion of tax proceeds shall be allocated to a training grant fund to be expended by the commission without appropriation solely for the purpose of reimbursing training expenses incurred by public or private entities in the training of employees for the qualified airport development project.
- (2) The commission may determine that a portion of tax proceeds shall be allocated to a debt service fund and dedicated to the payment of principal and interest on revenue bonds of the airport authority for a qualified airport development project, to the payment of leases for a qualified airport development

project, or to the payment of principal and interest on bonds issued by an eligible entity to pay for qualified airport development projects in the airport development zone or serving the airport development zone.

(3) Except as provided in subsection (f), all remaining tax proceeds after allocations are made under subdivisions (1) and (2) shall be allocated to a project fund and dedicated to the reimbursement of expenditures made by the commission for a qualified airport development project that is in the airport development zone or is serving the airport development zone.

(f) ~~Except in a county described in section 1(5) of this chapter;~~ If the tax proceeds allocated to the project fund in subsection (e)(3) exceed the amount necessary to satisfy amounts required under subsection (e), the excess in the project fund over that amount shall be paid to the respective taxing units in the manner prescribed by subsection (d).

(g) ~~Except in a county described in section 1(5) of this chapter;~~ When money in the debt service fund and in the project fund is sufficient to pay all outstanding principal and interest (to the earliest date on which the obligations can be redeemed) on revenue bonds issued by the airport authority for the financing of qualified airport development projects, all lease rentals payable on leases of qualified airport development projects, and all costs and expenditures associated with all qualified airport development projects, money in the debt service fund and in the project fund in excess of those amounts shall be paid to the respective taxing units in the manner prescribed by subsection (d).

(h) ~~Except in a county described in section 1(5) of this chapter;~~ Property tax proceeds allocable to the debt service fund under subsection (e)(2) must, subject to subsection (g), be irrevocably pledged by the eligible entity for the purpose set forth in subsection (e)(2).

(i) ~~Except in a county described in section 1(5) of this chapter;~~ and Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable tangible property situated upon or in, or added to, the airport development zone effective on the next assessment date after the petition.

(j) ~~Except in a county described in section 1(5) of this chapter;~~ and Notwithstanding any other law, the assessed value of all taxable tangible property in the airport development zone, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the tangible property as valued without regard to this section; or
- (2) the base assessed value.

SECTION 4. IC 8-22-3.5-9.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE APRIL 1, 2006]: **Sec. 9.5. (a) This section applies to a commission located in a county described in section 1(5) of this chapter.**

(b) The commission may amend a resolution adopted before January 1, 2006, under section 5 of this chapter to include a provision with respect to the allocation and distribution of property taxes.

(c) For purposes of determining the allocation and distribution of property taxes under this chapter, the "base assessed value" means the net assessed value of all the tangible property as finally

determined for the assessment date immediately preceding the effective date of the allocation provision of the commission's amended resolution adopted under this section.

(d) An amendment adopted under this section must be approved by the executive of:

- (1) the county, if the entire airport development zone is located outside the boundaries of any municipality located in the county;**
- (2) a municipality located in the county, if the entire airport development zone is located within the boundary of the municipality; or**
- (3) the county and a municipality located in the county, if the airport development zone is located within the boundary of the county and partly within the boundary of the municipality.**

SECTION 5. IC 8-22-3.5-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 1, 2006]: **Sec. 10. (a)** ~~Except in a county described in section 1(5) of this chapter and except as~~ provided in subsection (d), if the commission adopts the provisions of this section by resolution, each taxpayer in the airport development zone is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. Except as provided in subsection (d), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the airport development zone:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of the county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the special funds under section 9 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the special funds under section 9 of this chapter.

(b) The additional credit under subsection (a) shall be:

- (1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of an airport development zone; and
- (2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in an airport development zone who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies shall be stated on the notice.

(d) This subsection applies to an airport development zone only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an airport development zone is entitled to an additional credit under subsection (a) for the taxes (as defined in IC 6-1.1-21-2) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2).

SECTION 6. IC 8-22-3.5-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 1, 2006]: Sec. 12. ~~(a)~~ Notwithstanding any other law, a taxpayer in an airport development zone is not entitled to a credit for property tax replacement under IC 6-1.1-21-5.

~~(b) Notwithstanding subsection (a), in a county described in section 1(5) of this chapter, a taxpayer is entitled to a property tax replacement credit under IC 6-1.1-21-5 for the portion of property taxes for which an inventory tax credit under section 16 of this chapter is not allowed.~~

~~(c) An amount equal to the total of all inventory tax credit available under section 16 of this chapter shall be excluded from the total county tax levy under IC 6-1.1-21-2(g).~~

SECTION 7. THE FOLLOWING ARE REPEALED [EFFECTIVE JANUARY 1, 2007]: IC 8-22-3.5-16; IC 8-22-3.5-17.

SECTION 8. **An emergency is declared for this act.**

"SECTION 1. IC 6-1.1-18.5-21 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: **Sec. 21. (a) The ad valorem property tax levy limits imposed by this chapter do not apply to ad valorem property taxes imposed by a consolidated city to pay or fund any indebtedness assumed, defeased, paid, or refunded under IC 36-3-1-6.1 or IC 36-3-1-6.3.**

(b) For purposes of this section:

(1) "current year" means the calendar year that immediately precedes the first calendar year in which property taxes are first due and payable based on a consolidation under IC 36-

3-1-6.1 or IC 36-3-1-6.3;

(2) "ensuing year" means the calendar year that immediately succeeds the current year; and

(3) "maximum levy" means the maximum permissible ad valorem property tax levy under section 3 of this chapter.

(c) The maximum levy for a consolidated city is increased for property taxes first due and payable in the ensuing year and each subsequent calendar year by an amount equal to the lesser of:

(1) the difference between:

(A) the maximum levy for the current year for the consolidated city's fire special service district created under IC 36-3-1-6; and

(B) the amount levied for the current year for the fire special service district; or

(2) ten percent (10%) of the maximum levy for the consolidated city's fire special service district created under IC 36-3-1-6 for property taxes first due and payable in the ensuing year.

(d) The maximum levy for property taxes first due and payable in the ensuing year:

(1) is increased for a consolidated city by the amount equal to the property tax levy for taxes first due and payable in the current year for fire protection and related services by each:

(A) township;

(B) airport authority; or

(C) fire protection territory;

whose fire department is consolidated into the fire department of a consolidated city under IC 36-3-1-6.1; and

(2) is reduced for:

(A) a township;

(B) an airport authority; or

(C) a fire protection territory;

whose fire department is consolidated into the fire department of a consolidated city under IC 36-3-1-6.1 by the amount equal to the property tax levy for taxes first due and payable in the current year for fire protection and related services by the township, airport authority, or fire protection territory.

(e) The balance on January 1 of the ensuing year in the cumulative building and equipment fund for fire protection and related services of each:

(1) township;

(2) airport authority; or

(3) fire protection territory;

whose fire department is consolidated into the fire department of a consolidated city under IC 36-3-1-6.1 is transferred on that date to the consolidated city's cumulative building and equipment fund for fire protection and related services and may be used only for the purposes provided under IC 36-8-14.

SECTION 2. IC 6-3.5-6-18.5, AS AMENDED BY P.L.234-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as

distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	\$1,898,145
Decatur Township	\$164,103
Franklin Township	\$173,934
Lawrence Township	\$890,086
Perry Township	\$854,544
Pike Township	\$1,410,375
Warren Township	\$1,027,721
Washington Township	\$1,017,890
Wayne Township	\$988,397
Lawrence-City	\$648,848
Beech Grove	\$639,017
Southport	\$18,906
Speedway	\$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all civil taxing units of the county during the calendar year in

which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

(c) Except with respect to Center Township, for each year after 2006, sixty-six percent (66%) of the revenues to be distributed as distributive shares during each month to the townships listed in this section are to be distributed as additional distributive shares to Indianapolis/Marion County and the township distributive shares are reduced by sixty-six percent (66%).

(d) If Lawrence, Beech Grove, Southport, or Speedway consolidates its fire department into the consolidated fire department under IC 36-3-1-6.3, commencing with the calendar year following that consolidation and for each year thereafter, the monthly distributive share of county option income taxes distributed to Lawrence, Beech Grove, Southport, or Speedway, as applicable, shall be reduced by a percentage set forth in the ordinances adopted under IC 36-3-1-6.3, and those revenues shall instead be distributed as additional distributive shares to Indianapolis/Marion County.

SECTION 3. IC 8-22-3-11.6, AS ADDED BY P.L.227-2005, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 11.6. (a) This section applies only to an airport authority established for a county having a consolidated city.

(b) If:

(1) the legislative body of the consolidated city and the governing body of the airport authority may adopt substantially similar ordinances providing that adopts an ordinance providing that:

"SECTION 13. IC 36-8-4.3 IS REPEALED [EFFECTIVE JANUARY 1, 2007].

SECTION 14. [EFFECTIVE JULY 1, 2006] The general assembly finds the following:

(1) A consolidated city faces unique budget challenges due to a high demand for services combined with the large number of tax exempt properties located in a consolidated city as the seat of state government, home to several institutions of higher education, and home to numerous national, state, and regional nonprofit corporations.

(2) By virtue of its size and population density, a consolidated city has unique overlapping territories of county, city, and township government and an absence of unincorporated areas within its county.

(3) By virtue of its size, population, and absence of unincorporated areas, development extends to and across the boundaries of the contiguous governmental territories located within a county having a consolidated city, thus giving less meaning to boundaries of the governmental territories located within the county.

(4) By virtue of its size, population, absence of unincorporated areas, overlapping territories, and development to and across the boundaries of contiguous governmental territories, there is less need for differentiation of local governmental services within the separate governmental territories located within a county having a consolidated city, but rather the local governmental service needs are similar and more uniform within and across a county having a consolidated city.

(5) The provision of local governmental services by multiple governmental entities with overlapping territories, and by governmental entities with contiguous territories with less meaningful boundaries, results in disparate levels of local government services within a county having a consolidated city and results in the inefficient and poor use of taxpayer dollars.

(6) As the state capital and a center for professional sporting events, tourism, and culture in central Indiana, the consolidated city faces unique demands for protecting governmental property and securing the safety of large numbers of residents and visitors, which require innovative approaches to public safety resources.

(7) Substantial operational efficiencies, reduction of administrative costs, and economies of scale may be obtained in a consolidated city through further consolidation of county, city, and township services and operations.

(8) Consolidation of county, city, and township services and operations in the consolidated city will serve the public purpose by allowing the consolidated city to:

- (A) eliminate duplicative services;
- (B) provide better coordinated and more uniform delivery of local governmental services;
- (C) provide uniform oversight and accountability for the budgets for local governmental services;
- (D) simplify the system of property taxation;
- (E) provide more unified tax rates; and

(F) allow local government services to be provided more efficiently and at a lower cost than without consolidation.

(9) Efficient and fiscally responsible operation of local government benefits the health and welfare of the citizens of a consolidated city and is of public utility and benefit.

(10) The public purpose of this act is to provide a consolidated city with the means to perform essential governmental services for its citizens in an effective, efficient, and fiscally responsible manner."

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 30

Senate Concurrent Resolution 30, introduced by Senator Landske:

A CONCURRENT RESOLUTION to memorialize and honor Ray Nichols.

Whereas, Ray Nichols was a pioneer of auto racing, beginning his career as a crew chief at the young age of 15;

Whereas, Throughout his career, Ray Nichols won multiple accolades for his engine-building efforts in the 1950s and 1960s, including the Indianapolis 500 Pole Mechanic of the Year in 1957;

Whereas, After over 20 years of experience in racing, Ray and his friend Paul Russo built the famed "Basement Bessie" car that set a series of world speed records;

Whereas, In addition, for the NASCAR Winter Grand Nationals at Daytona in 1957, Ray built a surprise-entry car for Pontiac that won the race;

Whereas, The knowledge that Ray Nichols originated is still fundamental in the building of engines and cars today. Drivers are still familiar with the design ingenuity attributed to Ray Nichols and the significant impact he has had on the racing industry as a whole;

Whereas, Despite his success, Ray always maintained a humble approach to life. In a fitting testament to his character, the annual sportsmanship award at Illiana Speedway in Schererville has been named for the Merrillville resident for several years; and

Whereas, Ray Nichols' life and contributions to racing will be honored at the Living Legends of Auto Racing annual banquet on February 15, 2006, in Daytona Beach, Florida. Bill LaDow's book about Nichols, "Conversations with a Winner," is scheduled for release coinciding with the Living Legends of Auto Racing banquet: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly memorializes and honors Ray Nichols for his lifetime achievements. He made tremendous contributions to the racing community and he will be greatly missed.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to Ray Nichols' wife, Eleanor Nichols, and to the Living Legends of Auto Racing.

RESOLUTIONS ON FIRST READING

House Concurrent Resolution 30

House Concurrent Resolution 30, sponsored by Senator Landske:

A CONCURRENT RESOLUTION honoring Lowell High School.

Whereas, The Lowell High School Red Devils are the 2005 Class 4A state football champions;

Whereas, Lowell High School fought its way back from a 13-point fourth quarter deficit to defeat three time champ Roncalli High School and win the school's first state championship by a score of 28-27 in the RCA Dome in Indianapolis;

Whereas, The third quarter began with a 70-yard, 15-play drive culminating in a third-and-goal touchdown from the one yard line;

Whereas, Roncalli responded by going 71 yards in nine plays to make it 27-14, but Lowell blocked the extra point;

Whereas, The Red Devils answered with a 65-yard drive to score on a 21-yard pass with 9:12 left in the game;

Whereas, Lowell did not punt in the entire game; perhaps it was this persistence that influenced Roncalli's decision to pass on a third-and-11 from its own 30-yard line with less than eight minutes to play and a six-point lead;

Whereas, Lowell intercepted the pass and scored from the 28-yard line in four plays; and

Whereas, The story of the Lowell High School football team is one of persistence and dedication to a goal that led this team to become one of an elite group of state championship teams: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

House Concurrent Resolution 33

House Concurrent Resolution 33, sponsored by Senators Howard and Breaux:

A CONCURRENT RESOLUTION memorializing Coretta Scott King.

Whereas, Coretta Scott King died on January 31, 2006, at the age of 78;

Whereas, Coretta Scott King had been in failing health for several years following a stroke;

Whereas, Coretta Scott King first gained widespread recognition as the wife of the Reverend Dr. Martin Luther King, Jr.;

Whereas, Coretta Scott King, however, was a tireless advocate for social and political issues in her own right;

Whereas, Coretta Scott King was born into poverty in Heiberger, Alabama, on April 27, 1927, one of three children;

Whereas, Coretta Scott King spent her childhood on her parents' farm in Heiberger, which had been in the family since the Civil War;

Whereas, The Scotts were so hard hit during the Depression that the children picked cotton to help earn money;

Whereas, Coretta Scott King's father, Obediah Scott, was the first black person in the district to own a truck and open a country store;

Whereas, As a young child, Coretta Scott King walked five miles each day to attend the one-room Crossroads School;

Whereas, When she was older, Coretta Scott King studied at Lincoln High School in Marion, Alabama, nine miles away; because this was too far to walk, her mother hired a bus and drove all the black students in the area to and from school;

Whereas, Coretta Scott King was an intelligent, hardworking student who did well in her schoolwork and was at the top of her class when she graduated in 1945;

Whereas, After graduation from high school, she enrolled at Antioch College, Ohio, where her sister Edythe had been the first full-time black student to live on campus;

Whereas, While at Antioch College, Coretta Scott King majored in music and education and took part in a work-study program, acting as a camp counselor, library assistant, and nursery school attendant;

Whereas, Upon graduation in 1951, Coretta Scott King decided to become a professional singer and was accepted by the New England Conservatory of Music in Boston;

Whereas, It was while she was studying at the conservatory she met Martin Luther King, Jr., also a student in Boston at the time; they were married in 1953 and had three children, Martin Luther III, Dexter, and Bernice;

Whereas, When Coretta Scott King graduated from the conservatory, the Kings moved to Montgomery, Alabama, and Martin Luther King, Jr. began his work as a minister;

Whereas, As the wife of a man committed to civil rights, Coretta Scott King did not have the normally quiet life of a minister's wife;

Whereas, With Martin Luther King's increased involvement in the civil rights movement came danger for the King family;

Whereas, The Montgomery bus boycott brought danger home in a terrifying way - the King house was bombed in 1956;

Whereas, Coretta Scott King was a full partner in her husband's work, walking beside him in marches, traveling abroad with him, and giving speeches when he was unable to do so;

Whereas, The threats to Martin Luther King were eventually carried out when, in Memphis, Tennessee, in 1968, he was assassinated;

Whereas, Coretta Scott King carried on with her husband's work when, just four days after his death, she led a march of 50,000 people through the streets of Memphis and took his place in the Poor People's March to Washington;

Whereas, Throughout her life, Coretta Scott King participated in the movement to secure equal rights and justice for all, including having a special audience with the Pope and preaching at St. Paul's Cathedral in London, probably the first woman ever to do so; but her greatest concern was the Martin Luther King Jr. Center for Nonviolent Social Change;

Whereas, Coretta Scott King worked tirelessly to raise funds for the center, which now covers three full blocks and houses a library and archives of the civil rights movement;

Whereas, Throughout her life, Coretta Scott King spoke out against injustice, especially racial injustice, and worked to ensure that her husband's dream of fairness and equality could come true: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:

SECTION 1. That the Indiana General Assembly recognizes the life and accomplishments of a woman who spoke for justice and equality throughout her life. Coretta Scott King faced danger and did not flinch. She spoke out against injustice wherever she saw it. Coretta Scott King will live on in the hearts and minds of people everywhere.

SECTION 2. That the Principal Clerk of the House of Representatives transmit a copy of this resolution to the curator of the Martin Luther King, Jr. Center for Nonviolent Social Change.

The resolution was read in full and adopted by standing vote. The Chair instructed the Secretary to inform the House of the passage of the resolution.

Senate Concurrent Resolution 13

Senate Concurrent Resolution 13, introduced by Senator Wyss:

A CONCURRENT RESOLUTION recognizing the Brant family and the Indiana Oxygen Company.

Whereas, Eight years after the commercial production of oxygen began in the United States in 1907, the Indiana Oxygen Company became one of the first producers of the gas in central Indiana;

Whereas, Formed in 1915 by Walter and John Brant, the Indiana Oxygen Company remains a family-run operation and is currently guided by Walter L. Brant II;

Whereas, In 2005, the company received the prestigious "Entrepreneur of the Year" award for its entrepreneurial innovations;

Whereas, Through the guidance of the Brant family, the company has become a leader in the welding gas field and manufactures, sells, and distributes industrial gases, laboratory gases, medical gases, and welding supplies;

Whereas, The company is active in Indiana's growing life science initiative as a supplier to Indiana's medical laboratories, manufacturers, and research facilities;

Whereas, In 1911, the year of the first Indianapolis 500 race, Walter and John Brant, owners of the Indianapolis-based Lozier car agency and future company founders, sponsored two cars in the race;

Whereas, One of the cars, driven by Ralph Mulford, was first runner-up to the Marmon Wasp driven by winner Ray Harroun;

Whereas, After founding the company in 1915, the Brants continued their interest in racing, serving on Otis Porter's technical scoring staff and assisting with timing and pit stop data;

Whereas, The methods and technical procedures of inflating race

car tires with Indiana Oxygen compressed air became a subject of particular interest to the racing teams primarily because the use of compressed air decreased pit times;

Whereas, A short time later, as more sophisticated methods of manufacturing became known, Indiana Oxygen began to play a significant role in the development of advanced technologies through its production of nitrogen gas, the first gas substituted for compressed air for inflating tires in the late 1920s by Firestone;

Whereas, Indiana Oxygen, seeking new uses for gas, pioneered the use of nitrogen for refueling under pressure;

Whereas, From 1937 to 1964, when pressurized refueling was eliminated from the race, Indiana Oxygen continued to provide gases and welding services to the race teams;

Whereas, The Indiana Oxygen Company is statewide with a main headquarters, eight branch locations, 40 distributors, and customers in every state; and

Whereas, Indiana Oxygen has been keeping up with changing business techniques; currently 30% of its sales comes from the Internet: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly acknowledges the contributions the Brant family has made to the economic welfare of our state.

SECTION 2. That copies of this resolution be transmitted by the Secretary of the Senate to Walter L. Brant II, president of the Indiana Oxygen Company.

The resolution was read in full and adopted by voice vote. The Chair instructed the Secretary to inform the House of the passage of the resolution. House sponsor: Representative Noe.

Senate Concurrent Resolution 29

Senate Concurrent Resolution 29, introduced by Senator Paul:

A CONCURRENT RESOLUTION congratulating Earlham College's Dr. John Iverson for being named the 2005 Indiana Professor of the Year by the Carnegie Foundation for the Advancement of Teaching.

Whereas, The Carnegie Foundation for the Advancement of Teaching and the International Council for Advancement and Support of Education (CASE) have sponsored the Professor of the Year Program to recognize outstanding college and university professors from across the country since 1981;

Whereas, While the Carnegie Foundation accepts nominations of professors from four categories of institutions—community colleges, research universities, and institutions that grant bachelors and

masters degrees—each year, the Professor of the Year Program honors only one professor for each state;

Whereas, Nominees are assessed based on their impact on and involvement with undergraduate students, their scholarly approach to teaching and learning, their contributions to undergraduate education, and testimony from colleagues and current and former students;

Whereas, Dr. John Iverson is a Professor of Biology and Director of the Joseph Moore Museum of Natural History at Earlham College in Richmond, Indiana, where he has been a member of the faculty since 1978;

Whereas, To encourage students to become actively involved in the process of science, Dr. Iverson invites students to accompany him to his three long-term study sites. He attributes his success with students to "maintaining an active, hands-on, year-round research program that involves as many students as possible";

Whereas, Dr. Iverson sees himself as an "assistant in learning" and emphasizes collaboration in order to "learn more and teach better than we possibly could alone." Undergraduate students co-authored more than 40 of the approximately 150 scientific papers he has had published while at Earlham;

Whereas, As one of the world's leading herpetologists, specializing in the study of turtles and iguanas and their respective ecologies, Dr. Iverson has been instrumental, not only in continuing, but also enhancing Earlham's reputation for excellence in the natural sciences;

Whereas, Roughly one-fifth of Earlham's graduates have majored in biology. In addition, Earlham ranks eighth nationally—between Johns Hopkins and the Massachusetts Institute of Technology—in the percentage of its biology majors who have since gone on to earn a Ph.D. in the field; and

Whereas, More than 400 professors from various institutions in 40 states were nominated for consideration by the Carnegie Foundation judges. Dr. John Iverson was recognized as the Indiana Professor of the Year in a ceremony in Washington, D.C. on November 17, 2005: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly congratulates Dr. John Iverson for being recognized as the 2005 Indiana Professor of the Year.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to Earlham College President, Douglas Bennett, Independent Colleges of Indiana President, Hans Giesecke, and Dr. John Iverson.

House Concurrent Resolution 18, sponsored by Senator Mishler:

A CONCURRENT RESOLUTION congratulating Jimtown High School on the occasion of its victory in the Class 2A state football championship.

Whereas, The Jimtown High School football season ended with one final victory over North Posey, earning the team a Class 2A state football championship;

Whereas, Patience, persistence, and a pair of interceptions helped the Jimtown High School team break open what had been a close game for a 35-7 victory over North Posey for the Class 2A state championship;

Whereas, In addition to this year's victory, the Jimtown football program claimed a Class A title in 1991 and Class 2A titles in 1997 and 1998;

Whereas, The Jimmies were lead by sophomore Ryan Konrath who rushed for 63 yards and two touchdowns, senior Ross Bauman who had a 55-yard punt return, and junior Brian DeShone who had a 76-yard interception for a score; and

Whereas, The Jimmies' 14-1 season is a prime example of hard work and dedication to a goal that can be seen throughout the athletic programs and classrooms of Indiana schools: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:

SECTION 1. That the Indiana General Assembly congratulates Jimtown High School on an excellent football season that ended with its victory in the Class 2A state football championship and wishes team members continued success in the years ahead.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to team members, head coach Bill Sharpe, and principal Nate Dean.

The resolution was read in full and adopted by voice vote. The Chair instructed the Secretary to inform the House of the passage of the resolution.

House Concurrent Resolution 19

House Concurrent Resolution 19, sponsored by Senator Mishler:

A CONCURRENT RESOLUTION honoring the NorthWood High

School football team.

Whereas, NorthWood High School is the 2005 Class 3A state football champion;

Whereas, NorthWood High School became the first team with six losses in the history of the Indiana High School Athletic Association tournament series to win a state championship with its 7-0 win over Indianapolis Bishop Chatard, marking the first time Bishop Chatard had been held scoreless since 2001;

Whereas, The 2005 state championship title is the first for the NorthWood Panthers in their six appearances at the RCA Dome and the school's second state championship in any sport;

Whereas, The victory was the first over Bishop Chatard after three previous championship game meetings;

Whereas, The championship game's only score came when NorthWood freshman quarterback Skyler Titus threw to junior Brant Ehret for a 10-yard touchdown, capping a nine play, 47-yard drive that included two key third down conversions;

Whereas, In the third quarter, NorthWood held Bishop Chatard to only 11 offensive yards on four plays from scrimmage; and

Whereas, Hard work and dedication helped the NorthWood Panthers become state champions, and these attributes will continue to help these talented young people throughout their lives: Therefore,

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 18

Senate Concurrent Resolution 18, introduced by Senator Lewis:

A CONCURRENT RESOLUTION urging the Indiana Congressional Delegation to support legislation calling for federal approval to extend the Lewis and Clark National Historic Trail.

Whereas, The Lewis and Clark Expedition is about President Thomas Jefferson's dream, the planning and preparation required for an early 19th-century military expedition, and then finally about the journey itself; and

Whereas, The Lewis and Clark Expedition met at Clarksville, Indiana and stayed with George Rogers Clark who was the Brother of William Clark; and

Whereas, Clarksville, Indiana was one of the bases of formation and the site of their beginning of the Expedition; and

Whereas, Members of the Indiana Congressional Delegation have supported and been the primary sponsors of legislation before Congress which would have amended the National Trails System Act by extending the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or the return phase of the expedition; and

Whereas, Members of the Indiana Congressional Delegation will

introduce legislation calling for a feasibility study on extending the Lewis and Clark National Historic Trail to the East; and

Whereas, The Lewis and Clark Trail Heritage Foundation supports recognition of a continuous trail across the country on the National Park Service's official trail map and the right to post the official trail signs – Two Captains Pointing the Way – which are posted throughout the West; and

Whereas, The extension of the Lewis and Clark National Historic Trail from coast to coast would complete the story and expose a broader base of Americans to the educational and cultural aspects of the expedition; and

Whereas, The Lewis and Clark Trail Heritage Foundation believes that the status quo does not adequately recognize Monticello, the home of Thomas Jefferson where he dreamed his vision for America; Washington, D.C., where he shared his dream with Meriwether Lewis; or a variety of other significant places throughout the Eastern Legacy states; and

Whereas, The Lewis and Clark Trail Heritage Foundation partners with the National Park Service, the Bureau of Land Management and the Forest Service in caring for the Lewis and Clark National Historic Trail and also supports scholarships, educational efforts, and research on the expedition: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. The General Assembly hereby supports and urges the Indiana Congressional Delegation to support legislation calling for federal approval to extend the Lewis and Clark National Historic Trail.

SECTION 2. The Secretary of the Senate shall forward a copy of this Resolution to each member of the Indiana Congressional Delegation.

The resolution was read in full and referred to the Committee on Natural Resources.

Senate Concurrent Resolution 25

Senate Concurrent Resolution 25, introduced by Senators Hershman and Heinold:

A CONCURRENT RESOLUTION urging the Indiana Department of Transportation to rename State Road 10 between Wheatfield and Demotte in honor of Trooper Scott A. Patrick.

Whereas, Scott A. Patrick was born September 12, 1975, to Ron and Sandy Patrick;

Whereas, Scott grew up in the Wheatfield area and graduated from Kankakee Valley High School with an academic honors

diploma;

Whereas, Scott then attended the University of Southern Indiana (USI) on an academic and carpenter's scholarship;

Whereas, While attending USI, Scott was a founding member of the Alpha Sigma Phi fraternity and excelled in sports as a starter for the rugby team and a participant in the intramural program;

Whereas, While attending USI, Scott met Melissa Clark, whom he married in July 2000;

Whereas, In January 2000, Scott began his career as an Indiana State Police Trooper, starting at the academy on January 23 and graduating on June 23;

Whereas, Upon graduation, Scott was assigned to the Lowell Post and he and Melissa moved to Valparaiso. Scott loved his job and strove to be the best trooper he could be;

Whereas, Scott was very committed to his family. Just prior to his death, Scott had learned that he was going to become a father and he beamed with pride every time someone mentioned fatherhood;

Whereas, Scott's child will never know the wonderful man who was his father because Scott gave his life protecting the citizens of Indiana; and

Whereas, Scott was a unique individual who touched the lives of everyone he came in contact with and his death leaves an enormous void in the lives of many people: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly wishes to express its deepest sympathy to the family of Trooper Scott A. Patrick and urges the Indiana Department of Transportation to rename State Road 10 between Wheatfield and Demotte in honor of Trooper Scott A. Patrick.

SECTION 2. The Secretary of the Senate is hereby directed to transmit copies of this Resolution to Scott's wife, Melissa; his parents, Ron and Sandy; his brothers, Jamie and Sean; and his sister, Dawn.

The resolution was read in full and referred to the Committee on Commerce and Transportation.

Senate Concurrent Resolution 31

Senate Concurrent Resolution 31, introduced by Senators Landske and Rogers:

A CONCURRENT RESOLUTION urging the Legislative Council to establish an interim study committee to study issues pertaining to the well-being of Hoosier children.

Whereas, More Indiana families struggle to pay for basic necessities than the poverty level indicates. In 2004, 4 in 10 Hoosier children and their families had incomes below the Indiana Self-Sufficiency Standard that defines the amount needed to meet a family's basic budget needs;

Whereas, Every Hoosier child will benefit from:

- (1) responsible and caring adult supervision;*
- (2) adequate nutrition;*
- (3) access to adequate clothing;*
- (4) access to affordable basic health care services;*
- (5) safe and nurturing child care;*
- (6) a safe and healthy home;*
- (7) educational opportunities that meet their individual needs;*
- (8) the opportunity to explore a broad range of career options; and*

Whereas, Review by an interim study committee would help ensure that children's needs are prioritized and addressed in an effective and efficient manner. It would also call attention to the roles that a wide array of public and private parties can play in helping to advance the futures of Hoosier children: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly recognizes the importance of ensuring the well-being of Hoosier children.

SECTION 2. That the issues to be studied by the committee, if established, include, but are not limited to the following:

- (1) The determination of current and projected status across a broad range of basic needs (e.g., food, shelter, education, personal safety, and healthcare);*
- (2) A delineation of social, economic, and financial costs—both public and private, associated with the most serious needs identified;*
- (3) The development of policy recommendations for consideration by the General Assembly; and*
- (4) Any other issues pertaining to the well-being of Hoosier Children as determined necessary by the committee.*

SECTION 3. That the committee, if established, shall operate under the direction of the Legislative Council and that the committee shall present its findings and recommendations in a final report when directed to do so by the Legislative Council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Resolution 9

Senate Resolution 9, introduced by Senator Kruse:

A SENATE RESOLUTION to encourage the development and application of a progressive molecular dissociation process, which

uses materials that might otherwise be classified as wastes, as feedstocks for manufacturing hydrogen and other primary industrial products in Indiana to:

- (a) support other manufacturing, business development, and environmental progress in Indiana; and
- (b) urge cooperation and guidance from:
 - (1) the Departments of Agriculture, Environmental Management, Health, Homeland Security, Labor, Natural Resources, Transportation, and Workforce Development;
 - (2) the Indiana Economic Development Commission, the Indiana Energy Group and the State Chemist; and
 - (3) other departments, offices, agencies and commissions that can help secure the economic, environmental, and strategic benefits that will be enabled.

Whereas, The Indiana Senate, recognizing:

- *the profound impact of man's activity on the interrelations of all components of the natural environment, particularly the profound influences of population growth, high-density urbanization, industrial expansion, resource exploitation, and new and expanding technological advances, and*
- *the critical importance of restoring and maintaining environmental quality to the overall welfare and development of man, declares that it is the continuing policy of the State of Indiana and local governments, and other concerned public and private organizations, to use all practicable means and measures, including financial and technical assistance, in a manner calculated to:*
- *foster and promote the general welfare,*
- *create and maintain conditions under which man and nature can exist in productive harmony, and*
- *fulfill the social, economic, and other requirements of present and future generations of Americans; and*

Whereas, In 2003, more than one billion pounds of production-related waste was managed in Indiana; and

Whereas, Progressive molecular dissociation offers a means of manufacturing important industrial products using waste and secondary materials instead of primary fossil fuels and virgin materials as feedstocks; and

Whereas, Progressive molecular dissociation is not incineration, but an extremely high temperature thermal process coupled with an intense ionized plasma stream which is capable of reducing any feedstock material to its most basic elemental form; and

Whereas, Progressive molecular dissociation can reduce the environmental impact and costs for businesses and taxpayers in Indiana; and

Whereas, Progressive molecular dissociation can create new research, business development, educational, and career opportunities for Hoosiers: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate urges the cooperation of all state departments, agencies, offices, and commissions to assist any applicant desiring to locate a progressive dissociation facility in Indiana for the purposes of using materials, which would otherwise be regarded as wastes, as manufacturing feedstocks.

SECTION 2. State organizations are encouraged to meet with prospective applicants, federal government representatives, and representatives of Discovery Park at Purdue University Centers for Advanced Manufacturing, Energy, the Environment, and Nanotechnology to facilitate an understanding of the regulatory requirements and processes and to educate local governments and the Indiana citizenry on the relative benefits of progressive molecular dissociation compared to current alternate practices.

SECTION 3. Departments and agencies are encouraged to carry out, in a timely and expeditious manner, all requests for collaboration with federal departments and agencies, local governments and solid waste management districts, letters of concurrence, waivers or permit applications for such facilities.

SECTION 4. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to Department of Agriculture Director, Andy Miller; Indiana Department of Environmental Management Commissioner, Thomas Easterly; State Health Commissioner, Dr. Judith A. Monroe; Executive Director of Homeland Security, J. Eric Dietz; Department of Labor Commissioner, Miguel Rivera; Department of Natural Resources Director, Kyle Hupfer; Department of Transportation Commissioner, Thomas Sharp; Department of Workforce Development Commissioner, Ron Stiver; State Chemist, Dr. Rodney Noel; Secretary of Commerce, Michael Maurer; and to Lieutenant Governor Becky Skillman for the Indiana Energy Group.

The resolution was read in full and referred to the Committee on Economic Development and Technology.

Chapter 18. Vote Centers

Sec. 1. This chapter applies to a county designated as a vote center pilot county under this chapter.

Sec. 2. The secretary of state may designate a county as a vote center pilot county under this chapter.

Sec. 3. For a county to be designated a vote center pilot county:

(1) the county election board (or board of elections and registration established under IC 3-6-5.2 or IC 3-6-5.4), by unanimous vote of the entire membership of the board, must approve the filing of an application to be designated a vote center pilot county;

(2) all members of the board must sign the application; and

(3) the application must be filed with the secretary of state.

Sec. 4. The application must include a plan for the administration of vote centers in the county. The plan must include at least the following:

(1) The total number of vote centers to be established.

(2) The location of each vote center, and the municipality, if any, in which the vote center is located.

(3) A list of each municipality within the county that is entitled to conduct a municipal primary or municipal election, as of the date of the application.

(4) The total number of voters within each municipality, as of the date of the application, and the number of those voters within each municipality designated as "active" and "inactive" according to the county voter registration office.

(5) For each vote center designated under subdivision (2), a list of the precincts whose polls will be located at the vote center.

(6) For each vote center designated under subdivision (2), the number of precinct election boards that will be appointed to administer an election at the vote center.

(i) delivered to the vote center before the opening of the polls; or

(ii) printed on demand for a voter's use.

(10) A detailed description of any hardware, firmware, or software used:

(A) to create an electronic poll list for each precinct whose polls are to be located at a vote center; or

(B) to establish a secure electronic connection between the county election board and the precinct election officials administering a vote center.

(11) A description of the equipment and procedures to be used to ensure that information concerning a voter entered into any electronic poll list used by precinct election officers at a vote center is immediately accessible to:

(A) the county election board; and

(B) the electronic poll lists used by precinct election officers at all other vote centers in the county.

(12) For each precinct designated under subdivision (5), the number of electronic poll lists to be provided for the precinct.

Sec. 5. (a) Except for a municipality described in subsection (b), a plan must provide a vote center for use by voters residing in each municipality within the county conducting a municipal primary or a municipal election.

(b) A vote center may not be used in a municipal primary or municipal election conducted within a municipality that is partially located in a county that has not been designated a vote center pilot county.

Sec. 6. When the total number of voters designated under section 4(4) of this chapter as "active" equals at least twenty-five thousand (25,000) in the municipalities listed in the plan, the following apply:

(1) The plan must provide for at least one (1) vote center for each ten thousand (10,000) active voters.

(2) In addition to the vote centers designated in subdivision (1), the plan must provide for a vote center for any fraction of ten thousand (10,000) voters.

Sec. 7. Before approving an application to designate a county as a vote center pilot county under this chapter, the secretary of state must determine the following:

(1) That the secure electronic connection as described under section 4(10)(B) of this chapter is sufficient to prevent:

(A) any voter from voting more than once; and

(B) unauthorized access by any person to:

(i) the electronic poll lists for a precinct whose polls are to be located at the vote center; or

(ii) the computerized list of voters of the county.

(2) That the planned design and location of the equipment and precinct officers will provide the most efficient access for:

(A) voters to enter the polls, cast their ballots, and leave the vote center; and

(B) precinct election officials, watchers, challengers, and pollbook holders to exercise their rights and perform their duties within the vote center.

Sec. 8. The designation of a county as a vote center pilot county takes effect immediately unless otherwise specified by the secretary of state.

Sec. 9. The county executive shall publish notice of the location of each vote center in accordance with IC 3-11-8-3.2.

Sec. 10. (a) An order issued by a county to:

(1) designate the polls for a precinct or to locate the polls for a precinct at the polls for an adjoining precinct under IC 3-10 or IC 3-11; or

(2) omit precinct election officers under IC 3-6-6-38 at a specified precinct;

is suspended during the period that the voters of that precinct are entitled to cast a ballot at a vote center.

(b) An order suspended under subsection (a) is revived and in full force and effect without further action by a county when the voters of that precinct are no longer entitled to cast a ballot at a vote center under this chapter.

Sec. 11. Except as otherwise provided by this chapter, the county shall administer an election conducted at a vote center in accordance with federal law, this title, and the plan submitted with the application under section 4 of this chapter.

Sec. 12. Notwithstanding any other law, a voter who resides in a vote center pilot county is entitled to cast an absentee ballot at a vote center located at a satellite office of the county election board established under IC 3-11-10-26.3 in the same manner and subject to the same restrictions applicable to a voter wishing to cast an absentee ballot before an absentee board located in the office of the circuit court clerk or board of elections and registration.

Sec. 13. Notwithstanding any other law, the electronic poll list used at each vote center:

(1) must be capable of capturing an electronic image of the signature of a voter on the list; and

(2) may be in a format approved by the secretary of state.

Sec. 14. Notwithstanding any other law, including IC 3-11-8-2 and IC 3-14-2-11, a voter who resides in a vote center pilot county is entitled to cast a ballot at any vote center established in the county without regard to the precinct in which the voter resides.

Sec. 15. (a) In addition to the precinct election officers appointed under IC 3-6-6, a county election board by the unanimous vote of the entire membership may appoint one (1) or more greeters to:

(1) direct voters entering the vote center to the appropriate location for the voters to sign the electronic poll list; and

(2) provide other instructions to facilitate the efficient movement of individuals within the vote center.

(b) An individual appointed as a greeter under this section must bear credentials issued by the county election board stating the name of the individual and the individual's status as a greeter.

Sec. 16. The precinct election board administering an election at a vote center shall keep the ballots cast in each precinct

separate from the ballots cast in any other precinct whose election is administered at the vote center, so that the votes cast for each candidate and on each public question in each of the precincts administered by the board may be determined.

Sec. 17. (a) The secretary of state may permit a county to amend a plan submitted under section 4 of this chapter.

(b) For a county to amend its plan:

- (1) the county election board (or board of elections and registration established under IC 3-6-5.2 or IC 3-6-5.4), by unanimous vote of the entire membership of the board, must approve the filing of a request to amend the plan;**
- (2) all members of the board must sign the request; and**
- (3) the request must be filed with the secretary of state.**

(c) The request for amendment must set forth the specific amendments proposed to be made to the plan.

Sec. 18. The designation of a county as a vote center pilot county may be revoked by the secretary of state:

- (1) following the filing of a request for revocation approved by the unanimous vote of the entire membership of the county election board (or board of elections and registration established under IC 3-6-5.2 or IC 3-6-5.4) and signed by all members of the board; or**
- (2) upon a determination by the secretary of state that the administration of the vote center pilot program within the county does not comply with:**
 - (A) federal or state law; or**
 - (B) the plan submitted under section 4 of this chapter.**

Sec. 19. Notwithstanding IC 4-22-2, the secretary of state may adopt guidelines to administer the pilot program under this chapter.

Sec. 20. This chapter expires December 31, 2009.

If the voter later complies with the requirements of this title for proof of identification, the provisional ballot cast by the voter shall be counted in accordance with sections 2 and 2.5 of this chapter.

(f) This subsection applies to a provisional ballot cast by a voter after the voter was challenged for any reason except the

However, subsection (c)(2) does not apply to a rate increase under this subsection. The provider may not increase the flat monthly rate under this subsection during the rate transition period more frequently than the number of twelve (12) month periods remaining in the rate transition period at the time the provider is first eligible to increase the initial flat monthly rate under this subsection. The amount of the total increase in the flat monthly rate during the rate transition period may not exceed the product of:

- (1) one dollar (\$1); multiplied by
- (2) the number of twelve (12) month periods remaining in the rate transition period at the time the provider is first eligible to increase the initial flat monthly rate under this subsection.

The provider shall provide the commission and all affected customers thirty (30) days advance notice of each rate increase under this subsection.

(e) This subsection applies to a provider that acts under subsection (c) or (d) to increase the provider's flat monthly rate for basic telecommunications service in a local exchange area in Indiana. Not later than eighteen (18) calendar months after the provider's first rate increase in the local exchange area under subsection (c) or (d), the provider must offer broadband service to at least fifty percent (50%) of the households located in the local exchange area, at the average speeds set forth in subsection (a), as determined by the commission after notice and an

opportunity for hearing. The commission may extend the eighteen (18) month period allowed under this subsection by not more than nine (9) additional calendar months for good cause shown by the provider. The commission shall hold a hearing and make a finding as to whether the provider offers broadband service to at least fifty percent (50%) of the households in the local exchange area not later than the earlier of the following:

- (1) Ninety (90) days after a request by the provider for a hearing and determination by the commission. The provider may request a hearing and determination under this subdivision at any time before the expiration of:

- (A) the eighteen (18) month period allowed by this subsection; or
- (B) any extension of the eighteen (18) month period allowed by the commission under this subsection.

- (2) Ninety (90) days after the expiration of:

- (A) the eighteen (18) month period allowed by this subsection; or
- (B) any extension of the eighteen (18) month period allowed by the commission under this subsection;

if the provider does not request a hearing and determination under subdivision (1).

(f) If, after a hearing under subsection (e), the commission determines that the provider does not offer broadband service to at least fifty percent (50%) of the households in the local exchange area not later than eighteen (18) months after the provider's first rate increase in the local exchange area under subsection (c) or (d), the commission may require the provider to:

- (1) refund to customers; or
- (2) pay to the commission as a civil penalty;

an amount equal to the incremental revenue accruing to the provider as a result of all rate increases imposed by the provider in the local exchange area under subsection (c) or (d), plus interest. The commission shall determine the amount of interest added to a refund or payment made under this subsection by applying the average interest rate paid during the eighteen (18) months after the provider's first rate increase to depositors by the fifteen (15) largest banks with their principal offices in Indiana. A determination by the commission under this subsection is subject to appeal under IC 8-1-3.

(g) This subsection applies to an incumbent local exchange carrier that offers basic telecommunications service in one (1) or more local exchange areas in Indiana on March 27, 2006. Throughout the rate transition period, the incumbent local exchange carrier shall continue to make available a flat monthly rate with unlimited local calling for basic telecommunications service in all local exchange areas in which the incumbent local exchange carrier offers basic telecommunications service on March 27, 2006, regardless of whether the incumbent local exchange carrier increases the flat monthly rate in any of those local exchange areas under subsection (c). Throughout the transition period, an extended area of service in which the incumbent local exchange carrier offers basic telecommunications service on March 27, 2006, may not be reduced in area or scope without the approval of the commission after notice and hearing.

(h) If, at any time during the rate transition period, the commission determines in accordance with IC 8-1-2-113 that an emergency exists, the commission may act under IC 8-1-2-113 to

temporarily alter, amend, or suspend the limits on the flat monthly rate increases set forth in subsections (c) and (d) if necessary to maintain a provider's financial integrity and ability to provide adequate basic telecommunications service. The commission shall reimplement the limits on flat monthly rate increases, as set forth in subsections (c) and (d), when the commission is satisfied the emergency no longer exists.

(i) After June 30, 2009, a provider that offers basic telecommunications service in Indiana:

- (1) must offer a flat monthly rate with unlimited local calling for basic telecommunications service in each local exchange area in Indiana in which the provider offers basic telecommunications service; and
- (2) may not, in any local exchange area in Indiana in which the provider offers basic telecommunications service, offer any service plan for basic telecommunications service that includes measured local service.

If the commission determines that the application and documents are accurate, complete, and properly verified, the commission shall issue a certificate of territorial authority recognizing the communications service provider's authority to provide each communications service identified in the application. If the commission determines that the application and documents are inaccurate or incomplete, or are not properly verified, the commission shall return the application and documents to the provider with a brief statement of any additional information required. Not later than thirty (30) days after receipt of the request for additional information, the provider may:

Sec. 11. (a) The commission may not require a communications service provider to file a tariff in connection with, or as a condition of receiving, a certificate of territorial authority under this chapter.

(b) This subsection does not apply to a provider of commercial mobile service (as defined in 47 U.S.C. 332). The commission may require, in connection with the issuance of a certificate under this chapter, the communications service provider to provide advance notice to the provider's Indiana customers if the provider will do any of the following:

(6) A change in the video programming or other programming service provided in one (1) or more of the services areas identified under section 16(b)(6) of this chapter in the holder's most recent application for a certificate under this chapter.

(7) A change in one (1) or more of the service areas identified under section 16(b)(6) of this chapter that would increase or decrease the territory within the service area. The holder shall describe the new boundaries of the affected service areas after the proposed change is made.

The commission shall prescribe the time in which a holder must report changes under this section. The commission may prescribe a form for the reporting of changes under this section.

(b) In connection with, or as a condition of, receiving a certificate under this chapter, the commission shall require a holder to notify a unit:

(1) in which the holder does not already provide video service under:

(A) a local franchise issued by the unit before July 1, 2006; or

(B) another certificate issued under this chapter after June 30, 2006; and

(2) that is included in the holder's service area under the certificate being issued;

that the holder intends to provide video service in the unit's jurisdiction. The holder shall give the notice required under this subdivision not later than ten (10) days before the holder begins providing video service in the unit's jurisdiction.

(c) In connection with the issuance of a certificate under this chapter, the commission may require a holder to provide advance notice to the holder's Indiana customers if the holder will do any of the following:

(1) Change the rates and charges for video service that the holder offers in any of its service areas in Indiana.

(2) Cease to offer video service, or any specific video programming or other programming service, that the holder offers in any of the holder's service areas in Indiana.

The commission shall prescribe any customer notification requirements under this subsection in a rule of general application adopted under IC 4-22-2.

Sec. 21. (a) For purposes of this section, a provider is considered to be a holder of a local franchise on June 30, 2006, if:

(1) the provider; or

(2) any affiliate or successor entity of the provider;

holds a local franchise to provide video service in a unit on June 30, 2006.

(b) After June 30, 2006, a provider that is the holder of a local franchise on June 30, 2006, regardless of whether the provider is the incumbent provider in the local franchise service area, may elect to:

(1) continue providing video service under the local franchise until the local franchise expires; or

(2) subject to section 22 of this chapter, terminate the local franchise and apply to the commission for a certificate under this chapter.

(c) A provider that elects to terminate a local franchise under subsection (b) must provide written notice of the provider's election to:

(1) the commission; and

(2) the affected unit;

not later than November 1, 2006. The local franchise is terminated on the date the commission issues a certificate to the provider under this chapter.

(d) Not later than ninety (90) days after a local franchise is terminated under subsection (c), the provider that terminated the local franchise shall remit to the affected unit any accrued but unpaid franchise fees due under the local franchise. If the provider has credit remaining from any prepaid franchise fees, the provider may deduct the amount of the credit from any future fees or taxes owed to the affected unit.

Sec. 22. (a) A provider that elects to terminate a local franchise under section 21 of this chapter remains subject to the contractual rights, duties, and obligations:

(1) incurred by the provider under the terms and conditions of the terminated local franchise; and

(2) owed to any private person, including a subscriber.

(b) The obligations that a provider owes to a private person under subsection (a) include any obligations based on the gross income received by the provider:

(1) after the provider becomes a holder of a certificate under this chapter; and

(2) for video service provided in the service area covered by the terminated local franchise;

if, under the terms of the terminated local franchise, the obligations would have been based on the gross income received by the provider for video service provided in the service area covered by the terminated local franchise.

(c) All liens, security interests, royalties, and other contracts, rights, and interests arising out of the terminated local franchise and owed to a private person, shall:

- (1) continue in full force and effect without the need for renewal, extension, or continuance;
- (2) be paid or performed by the provider after becoming a holder of a certificate under this chapter; and
- (3) apply as though the gross revenue of the provider continued to be generated under the terminated local franchise with respect to any revenue generated in the service area covered by the terminated local franchise.

(d) The commission shall condition the issuance or renewal of a certificate under this chapter on a provider's payment and performance of the rights, duties, and obligations described in this section until the time the terminated local franchise would ordinarily terminate or expire if the provider had not made the election under section 21 of this chapter. In applying for an initial certificate or a renewal certificate under this chapter, a provider shall agree to pay or perform the obligations described in this section, as required by section 16(b)(1)(D) of this chapter.

(e) A private person that claims to be:

(1) owed any rights, duties, or obligations by a holder under this section; and

(2) aggrieved by a holder's alleged violation of this section; may bring an action in a court with jurisdiction to enforce the rights, duties, or obligations claimed to be owed to the person.

(f) As used in this section, "private person" does not include:

(1) the unit that issued the terminated local franchise;

(2) a political subdivision (as defined in IC 36-1-2-13) not described in subdivision (1); or

(3) any official, agent, or employee of:

(A) the unit that issued the terminated local franchise; or

(B) a political subdivision described in subdivision (2); in the individual's official capacity.

Sec. 23. (a) Except as provided in subsection (b), the holder of a certificate under this chapter shall, at the end of each calendar quarter, determine under subsections (c) and (d) the gross revenue received during that quarter from the holder's provision of video service in each unit included in the holder's service area under the certificate.

(b) This subsection applies to a holder or other provider providing video service in a unit in which a provider of video service is required on June 30, 2006, to pay a franchise fee based on a percentage of gross revenues. The holder's or provider's gross revenue shall be determined as follows:

(1) If only one (1) local franchise is in effect on June 30, 2006, the holder or provider shall determine gross revenue as the term is defined in the local franchise in effect on June 30, 2006.

(2) If:

(A) more than one (1) local franchise is in effect on June 30, 2006; and

(B) the holder or provider is subject to a local franchise in the unit on June 30, 2006;

the holder or provider shall determine gross revenue as the term is defined in the local franchise to which the holder or provider is subject on June 30, 2006.

(3) If:

(A) more than one (1) local franchise is in effect on June 30, 2006; and

(B) the holder is not subject to a local franchise in the unit on June 30, 2006;

the holder shall determine gross revenue as the term is defined in the local franchise in effect on June 30, 2006, that is most favorable to the unit.

(c) This subsection does not apply to a holder that is required to determine gross revenue under subsection (b). The holder shall include the following in determining the gross revenue received during the quarter with respect to a particular unit:

(1) Fees and charges charged to subscribers for video service provided by the holder. Fees and charges under this subdivision include the following:

(A) Recurring monthly charges for video service.

(B) Event based charges for video service, including pay per view and video on demand charges.

(C) Charges for the rental of set top boxes and other equipment.

(D) Service charges related to the provision of video service, including activation, installation, repair, and maintenance charges.

(E) Administrative charges related to the provision of video service, including service order and service termination charges.

(2) Revenue received by an affiliate of the holder from the affiliate's provision of video service, to the extent that treating the revenue as revenue of the affiliate, instead of revenue of the holder, would have the effect of evading the payment of fees that would otherwise be paid to the unit. However, revenue of an affiliate may not be considered revenue of the holder if the revenue is otherwise subject to fees to be paid to the unit.

(d) This subsection does not apply to a holder that is required to determine gross revenue under subsection (b). The holder shall not include the following in determining the gross revenue received during the quarter with respect to a particular unit:

(1) Revenue not actually received, regardless of whether it is billed. Revenue described in this subdivision includes bad debt.

(2) Revenue received by an affiliate or any other person in exchange for supplying goods and services used by the holder to provide video service under the holder's certificate.

(3) Refunds, rebates, or discounts made to subscribers, advertisers, the unit, or other providers leasing access to the holder's facilities.

(4) Revenue from providing service other than video service, including revenue from providing:

(A) telecommunications service (as defined in 47 U.S.C. 153(46));

(B) information service (as defined in 47 U.S.C. 153(20)), other than video service; or

(C) any other service not classified as cable service or video programming by the Federal Communications Commission.

(5) Any fee imposed on the holder under this chapter that is passed through to and paid by subscribers, including the franchise fee:

- (A) imposed under section 24 of this chapter for the quarter immediately preceding the quarter for which gross revenue is being computed; and
- (B) passed through to and paid by subscribers during the quarter for which gross revenue is being computed.
- (6) Revenue from the sale of video service for resale in which the purchaser collects a franchise fee under:
 - (A) this chapter; or
 - (B) a local franchise agreement in effect on July 1, 2006; from the purchaser's customers. This subdivision does not limit the authority of a unit, or the commission on behalf of a unit, to impose a tax, fee, or other assessment upon the purchaser under 42 U.S.C. 542(h).
- (7) Any tax of general applicability:
 - (A) imposed on the holder or on subscribers by a federal, state, or local governmental entity; and
 - (B) required to be collected by the holder and remitted to the taxing entity;
 including the state gross retail and use taxes (IC 6-2.5) and the utility receipts tax (IC 6-2.3).
- (8) Any forgone revenue from providing free or reduced cost cable video service to any person, including:
 - (A) employees of the holder;
 - (B) the unit; or
 - (C) public institutions, public schools, or other governmental entities, as required or permitted by this chapter or by federal law.
 However, any revenue that the holder chooses to forgo in exchange for goods or services through a trade or barter arrangement shall be included in gross revenue.
- (9) Revenue from the sale of:
 - (A) capital assets; or
 - (B) surplus equipment that is not used by the purchaser to receive video service from the holder.
- (10) Reimbursements that:
 - (A) are made by programmers to the holder for marketing costs incurred by the holder for the introduction of new programming; and
 - (B) exceed the actual costs incurred by the holder.
- (11) Late payment fees collected from customers.
- (12) Charges, other than those described in subsection (b)(1), that are aggregated or bundled with charges described in subsection (b)(1) on a customer's bill, if the holder can reasonably identify the charges on the books and records by the holder in the regular course of business.
- (e) If, under the terms of the holder's certificate, the holder provides video service to any unincorporated area in Indiana, the holder shall calculate the holder's gross income received from each unincorporated area served in accordance with:
 - (1) subsection (b); or
 - (2) subsections (c) and (d);
 whichever is applicable.
- (f) If a unit served by the holder under a certificate annexes any territory after the certificate is issued or renewed under this chapter, the holder shall:
 - (1) include in the calculation of gross revenue for the annexing unit any revenue generated by the holder from providing video service to the annexed territory; and

- (2) subtract from the calculation of gross revenue for any unit or unincorporated area:
 - (A) of which the annexed territory was formerly a part; and
 - (B) served by the holder before the effective date of the annexation;
 the amount of gross revenue determined under subdivision (1);
- beginning with the calculation of gross revenue for the calendar quarter in which the annexation becomes effective. The holder shall notify the commission of the new boundaries of the affected service areas as required under section 20(a)(7) of this chapter.
- Sec. 24. (a) Subject to subsection (e), not later than forty-five (45) days after the end of each calendar quarter, the holder shall pay to each unit included in the holder's service area under a certificate issued under this chapter a franchise fee equal to:
 - (1) the amount of gross revenue received from providing video service in the unit during the most recent calendar quarter, as determined under section 23 of this chapter; multiplied by
 - (2) a percentage equal to one (1) of the following:
 - (A) If a local franchise has never been in effect in the unit before July 1, 2006, five percent (5%).
 - (B) If no local franchise is in effect in the unit on July 1, 2006, but one (1) or more local franchises have been in effect in the unit before July 1, 2006, the percentage of gross revenue paid by the holder of the most recent local franchise in effect in the unit, unless the unit elects to impose a different percentage, which may not exceed five percent (5%).
 - (C) If there is one (1) local franchise in effect in the unit on July 1, 2006, the percentage of gross revenue paid by the holder of that local franchise as a franchise fee to the unit, unless the unit elects to impose a different percentage, which may not exceed five percent (5%). Upon the expiration of a local franchise described in this clause, the percentage shall be determined by the unit but may not exceed five percent (5%).
 - (D) If there is more than one (1) local franchise in effect with respect to the unit on July 1, 2006, a percentage determined by the unit, which may not exceed the greater of:
 - (i) five percent (5%); or
 - (ii) the percentage paid by a holder of any local franchise in effect in the unit on July 1, 2006.
- (b) If the holder provides video service to an unincorporated area in Indiana, as described in section 23(e) of this chapter, the holder shall:
 - (1) calculate the franchise fee with respect to the unincorporated area in accordance with subsection (a); and
 - (2) remit the franchise fee to the county in which the unincorporated area is located.
- If an unincorporated area served by the provider is located in one (1) or more contiguous counties, the provider shall remit part of the franchise fee calculated under subdivision (1) to each county having territory in the unincorporated area served. The part of the franchise fee remitted to a county must bear the same proportion to the total franchise fee for the area, as calculated

under subdivision (1), that the number of subscribers in the county bears to the total number of subscribers in the unincorporated area served.

(c) With each payment of a franchise fee to a unit under this section, the holder shall include a statement explaining the basis for the calculation of the franchise fee. A unit may review the books and records of:

- (1) the holder; or
- (2) an affiliate of the holder, if appropriate;

to the extent necessary to ensure the holder's compliance with section 23 of this chapter in calculating the gross revenue upon which the remitted franchise fee is based. Each party shall bear the party's own costs of an examination under this subsection. If the holder and the unit cannot agree on the amount of gross revenue on which the franchise fee should be based, either party may petition the commission to determine the amount of gross revenue on which the franchise fee should be based. A determination of the commission under this subsection is final, subject to the right of direct appeal by either party.

(d) A franchise fee owed by a holder to a unit under this section may be passed through to, and collected from, the holder's subscribers in the unit. To the extent allowed under 43 U.S.C. 542(c), the holder may identify as a separate line item on each regular bill issued to a subscriber:

- (1) the amount of the total bill assessed as a franchise fee under this section; and
- (2) the identity of the unit to which the franchise fee is paid.

(e) A holder that elects under section 21(b)(1) of this chapter to continue providing video service under a local franchise is not required to pay the franchise fee prescribed under this section, but shall pay any franchise fee imposed under the terms of the local franchise.

Sec. 25. (a) This section applies in a unit that:

- (1) is included in the service area of a holder of a certificate issued under this chapter; and
- (2) requires a provider described in section 21(a) of this chapter to provide PEG channel capacity, facilities, or financial support under a local franchise issued to the provider by the unit before July 1, 2006, regardless of whether the provider elects to:
 - (A) continue the local franchise under section 21(b)(1) of this chapter; or
 - (B) terminate the local franchise under section 21(b)(2) of this chapter and continue providing video service in the unit under a certificate issued under this chapter.

(b) As used in this section, "PEG channel" refers to a channel made available by a provider on the provider's video service system for public, educational, and governmental programming.

(c) The holder of a certificate under this chapter shall provide in the unit at least the number of PEG channels that the provider described in section 21(a) of this chapter is required to provide in the unit under the terms of the local franchise described in subsection (a)(2).

(d) If the local franchise described in subsection (a)(2) requires the provider described in section 21(a) of this chapter to provide financial support for public, educational, or governmental programming in the unit, the holder of a certificate under this

chapter shall pay the unit the same cash payments on a per subscriber basis that the provider described in section 21(a) of this chapter is required to pay the unit under the terms of the local franchise. The holder shall remit payments under this subsection to the unit on a quarterly basis, along with the franchise fee paid to the unit under section 24 of this chapter. For each calendar quarter, the holder shall remit to the unit an amount equal to:

- (1) the cash payment for the quarter due from the provider described in section 21(a) of this chapter; multiplied by
- (2) a fraction, the numerator of which equals the number of subscribers served by the holder in the unit, and the denominator of which equals the total number of subscribers served by all providers in the unit.

(e) Any payments remitted to a unit under subsection (d):

- (1) are made:
 - (A) for the purposes set forth in 47 U.S.C. 531; and
 - (B) under the unit's authority under 47 U.S.C. 541(a)(4)(B); and
- (2) may not be credited against the franchise fee payable to the unit under section 24 of this chapter.

Sec. 26. (a) This section applies in a unit or an unincorporated area of Indiana that:

- (1) is included in the service area of a holder of a certificate issued under this chapter; and
- (2) does not require a provider described in section 21(a) of this chapter to provide PEG channel capacity, facilities, or financial support under a local franchise issued before July 1, 2006.

(b) As used in this section, "PEG channel" has the meaning set forth in section 25(b) of this chapter.

(c) As a condition of issuing or renewing a certificate to a holder under this chapter, and upon:

- (1) the petition of a unit or an unincorporated area included in the holder's service area under the certificate; or
- (2) the commission's own motion;

the commission may require the holder to provide PEG channel capacity, facilities, or financial support to one (1) or more units or unincorporated areas in the holder's service area under the certificate.

(d) As allowed by 47 U.S.C. 531, the commission may do the following in exercising its authority under this section:

- (1) Adopt rules and procedures for the designation or use of PEG channel capacity in each unit or unincorporated area in which the requirements apply.
- (2) Enforce any requirement concerning the provision or use of PEG channel capacity. The commission's enforcement authority under this subdivision includes the authority to enforce any provision that:
 - (A) is proposed by the holder and incorporated in the holder's certificate; and
 - (B) concerns services, facilities, or equipment related to PEG channel capacity;

regardless of whether the provision is required in rules or procedures adopted by the commission under subdivision (1).

(3) If PEG channel capacity is designated under the certificate, prescribe rules and procedures:

- (A) under which the holder is permitted to use the designated channel capacity to provide other services, if the channel capacity is not being used in the unit or unincorporated area for the designated purposes; and
- (B) that set forth the conditions under which the holder must cease any use permitted under clause (A).

Sec. 26.5. (a) This section applies in a unit:

- (1) that is included in the service area of a holder of a certificate issued under this chapter; and
- (2) in which a provider is required to provide PEG channel capacity:

- (A) under a local franchise issued to the provider by the unit before July 1, 2006; or

- (B) by the commission under section 26 of this chapter.

(b) As used in this section, "PEG channel" has the meaning set forth in section 25(b) of this chapter.

(c) As a condition of issuing or renewing a certificate to a holder under this chapter, and upon:

- (1) the petition of the unit; or
- (2) the commission's own motion;

the commission may require the holder to provide the unit with PEG channel capacity that is in addition to the channel capacity required to be provided in the unit under the existing local franchise or under an order of the commission under section 26 of this chapter.

Sec. 27. (a) The operation of a PEG channel provided under section 25, 26, or 26.5 of this chapter is the responsibility of the unit or unincorporated area that receives the benefit of the channel, and the holder or other provider is responsible only for the transmission of the channel.

(b) A unit or an unincorporated area that receives the benefit of a PEG channel provided under section 25, 26, or 26.5 of this chapter shall ensure that all transmissions, content, and programming that are transmitted over a channel or other facility of the provider are submitted to the provider in a manner or form that:

- (1) is capable of being accepted and transmitted by the provider over the provider's video service system;
- (2) does not require additional alteration or change in the content by the provider; and
- (3) is compatible with the technology or protocol used by the provider to deliver video service.

(c) If it is technically feasible to do so, the holder of a certificate under this section and a provider described in section 21(a) of this chapter may cooperate to interconnect their systems to provide PEG channel capacity required under section 25, 26, or 26.5 of this chapter. Interconnection under this section may be accomplished by direct cable, microwave link, satellite, or other reasonable method of connection. The parties shall negotiate the terms of the interconnection in good faith, and a provider described in section 21(a) of this chapter may not withhold interconnection of PEG channel capacity.

(d) A court with jurisdiction has exclusive authority to enforce any requirement under:

- (1) this section; or
- (2) section 25, 26, or 26.5 of this chapter.

Sec. 28. (a) This section applies to the following:

(1) A provider that holds a certificate issued by the commission under this chapter.

(2) A provider that provides video service under a local franchise, as permitted under section 21(b)(1) of this chapter.

(b) Subject to section 17(b) of this chapter, a provider may not deny access to video service to any group of potential residential subscribers based on the income level of the residents in the local area in which the group resides. However, a provider:

(1) shall have a reasonable time to become capable of providing video service to all households within a service area included in the provider's franchise; and

(2) may satisfy the requirements of this subsection through the use of an alternative technology that:

(A) offers content, service, and functionality comparable to that provided through the provider's video service system, as determined by the commission; and

(B) may include a technology that does not require the use of any public right-of-way.

(c) For purposes of this subsection, an "affected person" includes the following:

- (1) A potential subscriber of video service from a provider.
- (2) A local unit in which a person described in subdivision (1) resides, acting on behalf of the person or other similarly situated persons.

An affected person that alleges a violation of subsection (b) by a provider may petition the commission for equitable relief. Not later than forty-five (45) days after receiving a petition under this subsection, the commission shall, after notice and an opportunity for hearing, make a determination as to whether a violation of subsection (b) has occurred.

(d) If, after holding any hearing requested in the matter, the commission determines that no violation of subsection (b) has occurred, the commission's decision is final, subject to the petitioner's right to appeal the decision in a court having jurisdiction. If the commission determines that a violation of subsection (b) has occurred, the commission may issue an order requiring the provider to offer video service to those persons to whom access to the provider's video service has been denied. An order of the commission under this subsection must specify the following:

(1) A date by which the provider must offer video service to those persons to whom access has been denied as a result of the provider's violation. In specifying a date under this subdivision, the commission shall allow the provider a reasonable time to become capable of providing the required video service to the affected households.

(2) Any alternative technology described in subsection (b)(2) that the commission approves for use by the provider in making video service available to the affected households.

Except as provided in subsection (e), an order of the commission under this subsection is final.

(e) A provider may appeal:

(1) a determination by the commission under subsection (d) that a violation of subsection (b) has occurred; or

(2) any findings or requirements of the order issued in connection with the commission's finding of a violation;

in a court having jurisdiction.

Sec. 29. (a) This section applies to a provider that holds a local franchise to provide video service in a unit at any time before July 1, 2009, regardless of whether:

(1) the provider elects:

(A) under section 21(b)(1) of this chapter, to continue providing video service under the local franchise; or

(B) under section 21(b)(2) of this chapter, to terminate the local franchise and provide video service in the unit under a certificate issued under this chapter;

if the local franchise is in effect on June 30, 2009; or

(2) the provider will provide video service in the unit under a certificate issued under this chapter, if the local franchise expires before July 1, 2009.

(b) As used in this section, "local franchise" refers to:

(1) the existing local franchise, if subsection (a)(1)(A) applies;

(2) the terminated local franchise, if subsection (a)(1)(B) applies; or

(3) the most recent local franchise held by the provider in the unit, if subsection (a)(2) applies.

(c) A holder to which this section applies shall continue to provide the following services under the terms of the local franchise until January 1, 2009, or until the local franchise will expire or would have expired, whichever is later:

(1) Institutional network capacity, however defined or referenced in the local franchise, but generally including private line data network capacity for use by the unit for noncommercial purposes. Institutional network capacity provided under this subdivision shall continue to be provided at the same capacity as required under the terms of the local franchise.

(2) Video service to community public buildings, such as municipal buildings and public schools, however defined or referenced in the local franchise, but generally including cable drop connections to the buildings and a particular tier of video service provided to the buildings. Video service provided under this subdivision shall continue to be provided to the same extent as required under the terms of the local franchise.

Beginning January 1, 2009, or upon the date on which the local franchise will expire or would have expired, whichever is later, a provider that provides services under this subsection shall continue to provide the services under this subsection if the unit requests that the services continue after December 31, 2008, or after the date the local franchise will expire or would have expired, whichever is later.

(d) This subsection applies to services described in subsection (c) that are provided after December 31, 2008, or after the date the local franchise will expire or would have expired, whichever is later. The incremental costs of the services shall be apportioned among all holders of a franchise to provide video service within the unit. The amount of the incremental costs borne by a particular holder is equal to the total cost of providing the services multiplied by a fraction calculated as follows:

(1) The numerator of the fraction equals the number of subscribers to whom the holder provides video service in the unit.

(2) The denominator of the fraction equals the total number of subscribers to whom all holders provide video service in the unit.

SECTION 59. IC 8-1-36 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]:

Chapter 36. Indiana Lifeline Assistance Program

Sec. 1. This chapter applies to an eligible telecommunications carrier that offers basic telecommunications service in one (1) or more exchange areas in Indiana.

Sec. 2. Except as otherwise provided in this chapter, the definitions in IC 8-1-2.6 apply throughout this chapter.

Sec. 3. As used in this chapter, "commission" refers to the Indiana utility regulatory commission created by IC 8-1-1-2.

Sec. 4. As used in this chapter, "eligible telecommunications carrier" refers to a local exchange carrier that is designated as an eligible telecommunications carrier by the commission under 47 CFR 54.201.

Sec. 5. As used in this chapter, "federal Lifeline program" refers to the retail local service offering:

(1) available only to qualifying low-income consumers (as defined in 47 CFR 54.400(a));

(2) for which qualifying low-income consumers pay reduced charges as a result of the application of the Lifeline support amount described in 47 CFR 54.403; and

(3) that includes the services and functionalities set forth in 47 CFR 54.101(a)(1) through 47 CFR 54.101(a)(9);

as described in 47 CFR 54.401.

Sec. 6. As used in this chapter, "participant" refers to an eligible customer who applies for and receives assistance through the program.

Sec. 7. As used in this chapter, "program" refers to the Indiana Lifeline assistance program established by the commission under section 8 of this chapter.

Sec. 8. (a) Not later than July 1, 2008, the commission shall adopt rules under IC 4-22-2 to establish the Indiana Lifeline assistance program. The program shall offer reduced charges for basic telecommunications service to eligible customers. The rules adopted by the commission under this section must do the following:

(1) Require an eligible telecommunications carrier to offer toll limitation (as defined in 47 CFR 54.400(d)) to an eligible customer who applies for assistance under the program. The rules must specify that an eligible telecommunications carrier may not charge a participant an administrative charge or any other additional amount for toll limitation.

(2) Allow an eligible telecommunications carrier to block a participant's access to interexchange service, except for access to toll free numbers, if the participant owes an outstanding amount for basic telecommunications service. The rules must require an eligible telecommunications carrier to remove the block without additional cost to the participant upon payment of the outstanding amount.

(3) Prohibit an eligible telecommunications carrier from discontinuing basic telecommunications service to a participant because of nonpayment by the participant of charges for other services billed by the eligible telecommunications carrier, including interexchange

service.

(b) **Funding for the following costs of the program shall be determined by the commission, after notice and hearing, in a manner based on and consistent with comparable federal funding mechanisms for the federal Lifeline program:**

(1) **The costs of reimbursing eligible telecommunications carriers for lost revenues associated with providing reduced charges for basic telecommunications service to participants.**

RESOLUTIONS ON SECOND READING

Senate Resolution 9

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 21

Senate Concurrent Resolution 21, introduced by Senator Hershman:

A CONCURRENT RESOLUTION honoring the Indiana Main Street Program for 20 years of service to Indiana cities and towns.

Whereas, The National Main Street Center was established by the National Trust for Historic Preservation in 1980. Since its inception, the Center has grown to be the largest full-service commercial district revitalization organization in the nation;

Whereas, Recognizing the crucial role the downtown business district plays in the overall image of a community, the Indiana General Assembly established the Indiana Main Street Program in 1985 to encourage the economic development, redevelopment, and improvement of downtown areas in Indiana cities and towns;

Whereas, Indiana Main Street is advised by the Indiana Main Street Council, a public/private advisory board appointed by Lieutenant Governor Becky Skillman;

Whereas, Rather than providing direct grants, Indiana Main Street emphasizes building local capacity and self-sufficiency through technical assistance and encourages local businesses, residents, and leaders to get involved in community projects;

Whereas, In order to address all of the needs of the community, Indiana Main Street utilizes the National Main Street Center's four-point approach to improving downtown areas: design, organization, promotion, and economic restructuring;

Whereas, The National Main Street revitalization project has proven to be one of the most successful economic development strategies in America. Research has shown that on a national average, for every dollar spent to operate a local Main Street

program, approximately thirty-eight dollars has been reinvested in the community; and

Whereas, Numerous local communities throughout the State of Indiana have benefitted from the Indiana Main Street Program's services to revitalize downtown communities over the last twenty years: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly expresses sincere gratitude to the Indiana Main Street Program for its on-going efforts to renew downtown business districts throughout the state.

SECTION 2. That the Indiana General Assembly commends the Indiana Main Street Program and the Indiana Main Street Council, as well as all of the businesses and community members that have participated in local programs, for their efforts to improve community image.

SECTION 3. The Secretary of the Senate is hereby directed to transmit copies of this Resolution to Lieutenant Governor Becky Skillman; Executive Director of Indiana Main Street, Ellen Harper; members of the Indiana Main Street Council, Steve Boyce, Amy Vaughan, Jon Smith, Mark Dollase, Amy MacDonell Shepard, Dr. James Segedy, Judy Gray, Mayor Don Stock, Todd Thackery, and Jim Grant; and former First Lady Judy O'Bannon.

Senate Concurrent Resolution 38

Senate Concurrent Resolution 38, introduced by Senator Landske:

A CONCURRENT RESOLUTION to honor and memorialize Colonel John Wheeler.

Whereas, John Wheeler was born in Connecticut on February 6, 1825. After Mr. Wheeler married Ann C. Jones in 1846, families moved to Lake County in 1847;

Whereas, Mr. Wheeler was a farmer and teacher. After working with his father to level and lay out pipes and ditches to drain swamplands throughout Lake County, Mr. Wheeler was elected County Surveyor in 1853 and served for three years;

Whereas, For four years after his County Surveyor term, he partnered with Zerah F. Summers editing and publishing the local newspaper called the Crown Point Register;

Whereas, Using his own money and influence, Mr. Wheeler raised a company of one hundred men for the Union army in 1861. Becoming part of the Twentieth Regiment of Indiana Volunteers, his company chose him for its Captain. His friends and neighbors presented him the gift of an elegant sword while his regiment was on parade in Indianapolis; and

Whereas, After thoroughly performing the duties of a soldier, Captain Wheeler was commissioned Major of the Regiment on February 16, 1862, and earned a promotion to the rank of Colonel in March of 1863. Leading his troops in the summer of 1863, Colonel Wheeler fell on July 2nd in the slaughter of the terrible conflict at Gettysburg: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly memorializes and honors Colonel John Wheeler for his achievements. His exemplary service to his country and his community is commendable.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to Colonel Wheeler's Great-great-grandson Boyd Cole.

Whereas, Robert A. "Rob" Zell was a lifelong resident of Tippecanoe County;

Whereas, Rob was married to Kimberly for eleven years and had four children: Brent, Robert II, Brittany Mathes, and Rachelle;

Whereas, Rob was a dedicated family man who worked hard to provide for his family;

Whereas, Although Rob worked only a few months for the Indiana Department of Transportation, he truly enjoyed his position as a maintenance worker at the Fowler Sub District;

Whereas, Throughout his life Rob enjoyed many hobbies, including mushroom hunting, deer hunting, and playing video games;

Whereas, Rob was killed on February 3, 2005, when he was hit by a car while cleaning up debris on the side of the road on the Wabash River bridge on Interstate 65 in Tippecanoe County;

Whereas, It is important to remember that maintaining Indiana's roadways is a dangerous job and that it is important for motorists to always be aware when workers are present; and,

Whereas, Rob will be remembered by his friends and family as a great man who was devoted to his family: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

Senate Concurrent Resolution 39

Senate Concurrent Resolution 39, introduced by Senator Lewis:

A CONCURRENT RESOLUTION urging the Indiana department of transportation to name the new bridge over Big Graham Creek (near the intersection of State Road 3 and State Road 250) in honor of Trooper George Forster.

Whereas, While on routine patrol near Paris Crossing in Jennings County on May 17, 1941, Trooper George Forster's patrol car was struck by a truck towing a horse trailer;

Whereas, Trooper Forster was killed in the accident;

Whereas, Trooper Forster's death was the first traffic related fatality to occur involving an on-duty Indiana State Police trooper;

Whereas, Trooper Forster, who was 25 years of age at the time of his death, had been appointed to the Indiana State Police on September 1, 1938, and had served as a patrolman working out of the Seymour post;

Whereas, Trooper Forster loved his job and strove to be the best trooper he could be;

Whereas, As a member of the Indiana State Police, Trooper Forster provided the best in quality service and earned the highest respect and confidence of the citizens of Indiana;

Whereas, Trooper Forster, along with all the men and women of the Indiana State Police, deserves special recognition; and

Whereas, Trooper Forster gave his life protecting the citizens of the state of Indiana, for which there is no greater sacrifice: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly recognizes the service of Trooper Forster and urges the Indiana department of transportation to name the new bridge over Big Graham Creek (near the intersection of State Road 3 and State Road 250) in honor of

Trooper George Forster.

SECTION 2. That copies of this resolution be transmitted by the Secretary of the Senate to Karl Forster, Dorothy Behrman, Imogene Scheidt, and the commissioner of the Indiana department of transportation.

The resolution was read in full and referred to the Committee on Commerce and Transportation.

House Concurrent Resolution 23

House Concurrent Resolution 23, sponsored by Senator Miller:

A CONCURRENT RESOLUTION urging the department of transportation to rename the section of Interstate Highway 65 running through Johnson County the Pearl Harbor Memorial Highway.

Whereas, It is important and fitting for our society to recognize and honor the contributions of those citizens who have served this nation in times of war;

Whereas, The December 7, 1941, attack on Pearl Harbor was a devastating attack on our nation's homeland that cost the lives of more than 2,000 American civilians, soldiers, sailors, and marines;

Whereas, As the Pearl Harbor Memorial Highway, Interstate 65 throughout Johnson County could stand as a tribute to those heroic men and women who gave their lives in defense of the United States of America and the freedom of its citizens; and

Whereas, In these times of danger throughout America, it is vital to remember the bravery of those citizens who made the ultimate sacrifice for their country and to ensure that all Americans will be ever vigilant so that tragedies like the attack on Pearl Harbor do not happen again: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

SECTION 1. That the Indiana General Assembly urges the Indiana department of transportation to rename the part of Interstate Highway 65 that runs through Johnson County the Pearl Harbor Memorial Highway.

SECTION 2. That the Principal Clerk of the House of Representatives transmit a copy of this resolution to the commissioner of the Indiana department of transportation.

The resolution was read in full and referred to the Committee on Commerce and Transportation.

House Concurrent Resolution 25

House Concurrent Resolution 25, sponsored by Senator Hershman:

A CONCURRENT RESOLUTION urging the Indiana Department of Transportation to name the bridge over the Wabash River in Delphi the Carroll County Veterans Memorial Bridge.

Whereas, The General Assembly recognizes the great sacrifices made by Indiana veterans in the service of their country in time of war;

Whereas, The ultimate cost of freedom is paid by many of those in the military who sacrifice their very lives in defense of liberty;

Whereas, The State of Indiana owes an eternal debt of gratitude to the men and women who bravely answer their country's call, and the people of Carroll County wish to recognize their bravery by designating the bridge over the Wabash River in Delphi in honor of the Carroll County veterans; and

Whereas, It is therefore fitting that the proper signage be placed on the bridge over the Wabash River in Delphi to recognize the designation of this bridge as the Carroll County Veterans Memorial Bridge in honor of these veterans: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

SECTION 1. That the Indiana General Assembly urges the Indiana Department of Transportation to name the bridge over the Wabash River in Delphi the Carroll County Veterans Memorial Bridge.

SECTION 2. That the Principal Clerk of the House of Representatives transmit a copy of this resolution to the commissioner of the Indiana Department of Transportation.

The resolution was read in full and referred to the Committee on Commerce and Transportation.

House Concurrent Resolution 35

House Concurrent Resolution 35, sponsored by Senator Landske:

A CONCURRENT RESOLUTION recognizing the need for protection of our environmental and economic resources.

Whereas, The Great Lakes are a tremendous value to Indiana as an environmental and economic resource, both as the world's largest body of fresh water and as a crucial international shipping channel;

Whereas, Aquatic invasive species have caused significant damage to native environments and industrial operations in the Great Lakes and around the world;

Whereas, Indiana ranks 14th in the nation for waterborne shipping with nearly 70 million tons of maritime cargo per year, and the state's Lake Michigan ports provide Indiana farmers, steel mills, and manufacturers with access to foreign markets through the Great

Lakes/St. Lawrence Seaway;

Whereas, Current federal laws governing the introduction of aquatic invasive species into United States waters via ballast water of ocean-going ships and other sources are inadequate;

Whereas, Because of the detrimental effects of imposing regional restrictions on an international shipping channel, there is a need for federal regulation; and

Whereas, There is currently no nationally accepted standard for ballast water quality nor any approved ballast treatment technologies available to ship operators: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

SECTION 1. That the Indiana General Assembly has a great concern for the protection of its environmental and economic resources.

SECTION 2. That the Indiana General Assembly urges the United States Congress to acknowledge the national urgency of this problem and move quickly to enact federal legislation to establish a strong ballast water regulatory program sufficient to prevent future introduction of aquatic invasive species into all United States waters.

SECTION 3. That the Indiana General Assembly declares its support for the efforts of the United States Coast Guard and International Maritime Organization to put in place an international ballast water treatment and regulatory program.

SECTION 4. That the Indiana General Assembly declares its support for the "Great Ships Initiative," a research and development project funded jointly by the Indiana Port Commission and other Great Lakes ports, the U.S. Department of Transportation, the National Fish and Wildlife Foundation, and other federal agencies with the goal of accelerating the development and availability of ballast water treatment technology.

SECTION 5. That the Principal Clerk of the House of Representatives shall transmit copies of this resolution to the President of the United States, the Indiana Congressional delegation, federal agencies that regulate maritime transportation, and the Great Lakes Commission.

The resolution was read in full and referred to the Committee on Energy and Environmental Affairs.

Senate Concurrent Resolution 20

Senate Concurrent Resolution 20, introduced by Senator Garton:

A CONCURRENT RESOLUTION to congratulate Tony Stewart on winning the 2005 NASCAR Nextel Cup Series Championship.

Whereas, Columbus, Indiana native Tony Stewart has a reputation as a fierce competitor driving the #20 Home Depot car in the

NASCAR racing series;

Whereas, Tony scored his first victory of the season on June 26 in Sonoma, California at the Dodge/Save Mart 350;

Whereas, In his most dominating performance of the year, Stewart led all but nine laps of the Pepsi 400 to score his second-straight win. Starting from the pole, he lost the lead only briefly after pit stops, breaking the record of 142 laps led in a race set by Cale Yarborough in 1968;

Whereas, From this point on, the Home Depot team seemed to have all the answers and Stewart finished ninth or better in 19 of the final 22 races;

Whereas, Despite great success throughout his NASCAR career, Stewart had never won in front of the hometown crowd at the Indianapolis Motor Speedway. In a career-defining moment, Stewart won the Allstate 400 at the Brickyard, a win that propelled him into first place in the 2005 standings, where he remained for 13 of the final 14 weeks;

Whereas, In Nextel Cup racing, following the 26th race of the season, all drivers in the NASCAR Top 10 and any other drivers within 400 points of the leader earn a berth in the "Chase for the Championship";

Whereas, Stewart was on top at the start of the 10-race Chase for the Championship and fell off the leader board just once, when he dropped to fifth after Round 2;

Whereas, A conservative approach in the season-ending Ford 400 netted a modest 15th place finish and secured the 2005 championship for Stewart, marking his second career NASCAR season championship;

Whereas, As a two-time winner, Tony Stewart became a member of a select group of only 14 NASCAR drivers who have won at least two season championships;

Whereas, Tony Stewart's hometown of Columbus held a parade to congratulate him on winning the NASCAR series championship and also honored him by declaring December 17th "Tony Stewart Day"; and

Whereas, From the beginning of his career more than a quarter century ago and continuing to his present role as driver of the #20 Home Depot Chevrolet in the NASCAR NEXTEL Cup Series, Tony Stewart has proven to be a champion every step of the way: Therefore,

*Be it resolved by the Senate of the General Assembly
of the State of Indiana, the House of Representatives concurring:*

SECTION 1. That the Indiana General Assembly recognizes Tony Stewart for his exemplary driving record in the NASCAR Nextel Cup Series Championship and congratulates him on winning his second NASCAR series championship.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to Tony Stewart, his team, and his family.

The resolution was read in full and adopted by voice vote. The Chair instructed the Secretary to inform the House of the passage of the resolution. House sponsors: Representatives Yount, Burton, Messer, and Koch.

"SECTION 10. IC 22-3-6-1, AS AMENDED BY P.L.201-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 1. In IC 22-3-2 through IC 22-3-6, unless the context otherwise requires:

(a) "Employer" includes the state and any political subdivision, any municipal corporation within the state, any individual or the legal representative of a deceased individual, firm, association, limited liability company, or corporation or the receiver or trustee of the same, using the services of another for pay. A parent corporation and its subsidiaries shall each be considered joint employers of the corporation's, the parent's, or the subsidiaries' employees for purposes of IC 22-3-2-6 and IC 22-3-3-31. Both a lessor and a lessee of employees shall each be considered joint employers of the employees provided by the lessor to the lessee for purposes of IC 22-3-2-6 and IC 22-3-3-31. If the employer is insured, the term includes the employer's insurer so far as applicable. However, the inclusion of an employer's insurer within this definition does not allow an employer's insurer to avoid payment for services rendered to an employee with the approval of the employer. The term also includes an employer that provides on-the-job training under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) to the extent set forth in IC 22-3-2-2.5. The term does not include a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) "Employee" means every person, including a minor, in the service of another, under any contract of hire or apprenticeship, written or implied, except one whose employment is both casual and not in the usual course of the trade, business, occupation, or profession of the employer.

(1) An executive officer elected or appointed and empowered in accordance with the charter and bylaws of a corporation, other than a municipal corporation or governmental subdivision or a charitable, religious, educational, or other nonprofit corporation, is an employee of the corporation under IC 22-3-2 through IC 22-3-6.

(2) An executive officer of a municipal corporation or other governmental subdivision or of a charitable, religious, educational, or other nonprofit corporation may, notwithstanding any other provision of IC 22-3-2 through IC 22-3-6, be brought within the coverage of its insurance contract by the corporation by specifically including the executive officer in the contract of insurance. The election to bring the executive officer within the coverage shall continue for the period the contract of insurance is in effect, and during this period, the executive officers thus brought within the

coverage of the insurance contract are employees of the corporation under IC 22-3-2 through IC 22-3-6.

(3) Any reference to an employee who has been injured, when the employee is dead, also includes the employee's legal representatives, dependents, and other persons to whom compensation may be payable.

(4) An owner of a sole proprietorship may elect to include the owner as an employee under IC 22-3-2 through IC 22-3-6 if the owner is actually engaged in the proprietorship business. If the owner makes this election, the owner must serve upon the owner's insurance carrier and upon the board written notice of the election. No owner of a sole proprietorship may be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received. If the owner of a sole proprietorship is an independent contractor in the construction trades and does not make the election provided under this subdivision, the owner must obtain an affidavit of exemption under IC 22-3-2-14.5.

(5) A partner in a partnership may elect to include the partner as an employee under IC 22-3-2 through IC 22-3-6 if the partner is actually engaged in the partnership business. If a partner makes this election, the partner must serve upon the partner's insurance carrier and upon the board written notice of the election. No partner may be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received. If a partner in a partnership is an independent contractor in the construction trades and does not make the election provided under this subdivision, the partner must obtain an affidavit of exemption under IC 22-3-2-14.5.

(6) Real estate professionals are not employees under IC 22-3-2 through IC 22-3-6 if:

(A) they are licensed real estate agents;

(B) substantially all their remuneration is directly related to sales volume and not the number of hours worked; and

(C) they have written agreements with real estate brokers stating that they are not to be treated as employees for tax purposes.

(7) A person is an independent contractor in the construction trades and not an employee under IC 22-3-2 through IC 22-3-6 if the person is an independent contractor under the guidelines of the United States Internal Revenue Service.

The owner-operator may elect to be covered and have the owner-operator's drivers covered under a worker's compensation insurance policy or authorized self-insurance that insures the motor carrier if the owner-operator pays the premiums as requested by the motor carrier. An election by an owner-operator under this subdivision does not terminate the independent contractor status of the owner-operator for any purpose other than the purpose of this subdivision.

(9) A member or manager in a limited liability company may elect to include the member or manager as an employee under IC 22-3-2 through IC 22-3-6 if the member or manager is actually engaged in the limited liability company business. If a member or manager makes this election, the member or manager must serve upon the member's or manager's insurance carrier and upon the board written notice of the election. A member or manager may not be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received.

(10) An unpaid participant under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) is an employee to the extent set forth in IC 22-3-2-2.5.

(c) "Minor" means an individual who has not reached seventeen (17) years of age.

(1) Unless otherwise provided in this subsection, a minor employee shall be considered as being of full age for all purposes of IC 22-3-2 through IC 22-3-6.

(2) If the employee is a minor who, at the time of the accident, is employed, required, suffered, or permitted to work in violation of IC 20-33-3-35, the amount of compensation and death benefits, as provided in IC 22-3-2 through IC 22-3-6, shall be double the amount which would otherwise be recoverable. The insurance carrier shall be liable on its policy for one-half (1/2) of the compensation or benefits that may be payable on account of the injury or death of the minor, and the employer shall be liable for the other one-half (1/2) of the compensation or benefits. If the employee is a minor who is not less than sixteen (16) years of age and who has not reached seventeen (17) years of age and who at the time of the accident is employed, suffered, or permitted to work at any occupation which is not prohibited by law, this subdivision does not apply.

(3) A minor employee who, at the time of the accident, is a student performing services for an employer as part of an approved program under IC 20-37-2-7 shall be considered a full-time employee for the purpose of computing compensation for permanent impairment under IC 22-3-3-10. The average weekly wages for such a student shall be calculated as provided in subsection (d)(4).

(4) **Except for rights and remedies granted under IC 22-3-13**, the rights and remedies granted in this subsection to a minor under IC 22-3-2 through IC 22-3-6 on account of personal injury or death by accident shall exclude all rights and remedies of the minor, the minor's parents, or the minor's personal representatives, dependents, or next of kin at common law, statutory or otherwise, on account of the injury or death. This subsection does not apply to minors who have reached seventeen (17) years of age.

(d) "Average weekly wages" means the earnings of the injured employee in the employment in which the employee was working at the time of the injury during the period of fifty-two (52) weeks immediately preceding the date of injury, divided by fifty-two (52), except as follows:

(1) If the injured employee lost seven (7) or more calendar days during this period, although not in the same week, then the earnings for the remainder of the fifty-two (52) weeks shall be divided by the number of weeks and parts thereof remaining after the time lost has been deducted.

(2) Where the employment prior to the injury extended over a period of less than fifty-two (52) weeks, the method of dividing the earnings during that period by the number of weeks and parts thereof during which the employee earned wages shall be followed, if results just and fair to both parties will be obtained. Where by reason of the shortness of the time during which the employee has been in the employment of the employee's employer or of the casual nature or terms of the employment it is impracticable to compute the average weekly wages, as defined in this subsection, regard shall be had to the average weekly amount which during the fifty-two (52) weeks previous to the injury was being earned by a person in the same grade employed at the same work by the same employer or, if there is no person so employed, by a person in the same grade employed in the same class of employment in the same district.

(3) Wherever allowances of any character made to an employee in lieu of wages are a specified part of the wage contract, they shall be deemed a part of the employee's earnings.

(4) In computing the average weekly wages to be used in calculating an award for permanent impairment under IC 22-3-3-10 for a student employee in an approved training program under IC 20-37-2-7, the following formula shall be used. Calculate the product of:

- (A) the student employee's hourly wage rate; multiplied by
- (B) forty (40) hours.

The result obtained is the amount of the average weekly wages for the student employee.

(e) "Injury" and "personal injury" mean only injury by accident arising out of and in the course of the employment and do not include a disease in any form except as it results from the injury.

(f) "Billing review service" refers to a person or an entity that reviews a medical service provider's bills or statements for the purpose of determining pecuniary liability. The term includes an employer's worker's compensation insurance carrier if the insurance carrier performs such a review.

(h) "Community" means a geographic service area based on zip code districts defined by the United States Postal Service according to the following groupings:

(B) burial compensation under section 15 of this chapter.

(c) For the sole purpose of modifying an award under section 27 of this chapter, a school to work student's average weekly wage is presumed to be equal to the federal minimum wage.

(d) A school to work student is not entitled to the following compensation under this chapter:

SECTION 13. IC 22-3-7-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 6. **Except for rights and remedies granted under IC 22-3-13**, the rights and remedies granted under this chapter to an employee subject to this chapter on account of disablement or death by occupational disease arising out of and in the course of the employment shall exclude all other rights and remedies of such employee, his personal representatives, dependents, or next of kin, at common law or otherwise, on account of such disablement or death.

SECTION 14. IC 22-3-7-9, AS AMENDED BY P.L.201-2005, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 9. (a) As used in this chapter, "employer" includes the state and any political subdivision, any municipal corporation within the state, any individual or the legal representative of a deceased individual, firm, association, limited liability company, or corporation or the receiver or trustee of the same, using the services of another for pay. A parent corporation and its subsidiaries shall each be considered joint employers of the corporation's, the parent's, or the subsidiaries' employees for purposes of sections 6 and 33 of this chapter. Both a lessor and a lessee of employees shall each be considered joint employers of the employees provided by the lessor to the lessee for purposes of sections 6 and 33 of this chapter. The term also includes an employer that provides on-the-job training under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) to the extent set forth under section 2.5 of this chapter. If the employer is insured, the term includes the employer's insurer so far as applicable. However, the inclusion of an employer's insurer within this definition does not allow an employer's insurer to avoid payment for services rendered to an employee with the approval of the employer. The term does not include a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) As used in this chapter, "employee" means every person, including a minor, in the service of another, under any contract of hire or apprenticeship written or implied, except one whose employment is both casual and not in the usual course of the trade, business, occupation, or profession of the employer. For purposes of this chapter the following apply:

(1) Any reference to an employee who has suffered disablement, when the employee is dead, also includes the employee's legal representative, dependents, and other persons to whom compensation may be payable.

(2) An owner of a sole proprietorship may elect to include the owner as an employee under this chapter if the owner is actually engaged in the proprietorship business. If the owner makes this election, the owner must serve upon the owner's insurance

carrier and upon the board written notice of the election. No owner of a sole proprietorship may be considered an employee under this chapter unless the notice has been received. If the owner of a sole proprietorship is an independent contractor in the construction trades and does not make the election provided under this subdivision, the owner must obtain an affidavit of exemption under section 34.5 of this chapter.

(3) A partner in a partnership may elect to include the partner as an employee under this chapter if the partner is actually engaged in the partnership business. If a partner makes this election, the partner must serve upon the partner's insurance carrier and upon the board written notice of the election. No partner may be considered an employee under this chapter until the notice has been received. If a partner in a partnership is an independent contractor in the construction trades and does not make the election provided under this subdivision, the partner must obtain an affidavit of exemption under section 34.5 of this chapter.

(4) Real estate professionals are not employees under this chapter if:

- (A) they are licensed real estate agents;
- (B) substantially all their remuneration is directly related to sales volume and not the number of hours worked; and
- (C) they have written agreements with real estate brokers stating that they are not to be treated as employees for tax purposes.

(5) A person is an independent contractor in the construction trades and not an employee under this chapter if the person is an independent contractor under the guidelines of the United States Internal Revenue Service.

(6) An owner-operator that provides a motor vehicle and the services of a driver under a written contract that is subject to IC 8-2.1-24-23, 45 IAC 16-1-13, or 49 CFR 1057, to a motor carrier is not an employee of the motor carrier for purposes of this chapter. The owner-operator may elect to be covered and have the owner-operator's drivers covered under a worker's compensation insurance policy or authorized self-insurance that insures the motor carrier if the owner-operator pays the premiums as requested by the motor carrier. An election by an owner-operator under this subdivision does not terminate the independent contractor status of the owner-operator for any purpose other than the purpose of this subdivision.

(7) An unpaid participant under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) is an employee to the extent set forth under section 2.5 of this chapter.

(8) A person who enters into an independent contractor agreement with a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to perform youth coaching services on a part-time basis is not an employee for purposes of this chapter.

(c) As used in this chapter, "minor" means an individual who has not reached seventeen (17) years of age. A minor employee shall be considered as being of full age for all purposes of this chapter. However, if the employee is a minor who, at the time of the last

exposure, is employed, required, suffered, or permitted to work in violation of the child labor laws of this state, the amount of compensation and death benefits, as provided in this chapter, shall be double the amount which would otherwise be recoverable. The insurance carrier shall be liable on its policy for one-half (1/2) of the compensation or benefits that may be payable on account of the disability or death of the minor, and the employer shall be wholly liable for the other one-half (1/2) of the compensation or benefits. If the employee is a minor who is not less than sixteen (16) years of age and who has not reached seventeen (17) years of age, and who at the time of the last exposure is employed, suffered, or permitted to work at any occupation which is not prohibited by law, the provisions of this subsection prescribing double the amount otherwise recoverable do not apply. **Except for rights and remedies granted under IC 22-3-13**, the rights and remedies granted to a minor under this chapter on account of disease shall exclude all rights and remedies of the minor, ~~his~~ **the minor's** parents, ~~his~~ **the minor's** personal representatives, dependents, or next of kin at common law, statutory or otherwise, on account of any disease.

(d) This chapter does not apply to casual laborers as defined in subsection (b), nor to farm or agricultural employees, nor to household employees, nor to railroad employees engaged in train service as engineers, firemen, conductors, brakemen, flagmen, baggagemen, or foremen in charge of yard engines and helpers assigned thereto, nor to their employers with respect to these employees. Also, this chapter does not apply to employees or their employers with respect to employments in which the laws of the United States provide for compensation or liability for injury to the health, disability, or death by reason of diseases suffered by these employees.

(e) As used in this chapter, "disablement" means the event of becoming disabled from earning full wages at the work in which the employee was engaged when last exposed to the hazards of the occupational disease by the employer from whom the employee claims compensation or equal wages in other suitable employment, and "disability" means the state of being so incapacitated.

(f) For the purposes of this chapter, no compensation shall be payable for or on account of any occupational diseases unless disablement, as defined in subsection (e), occurs within two (2) years after the last day of the last exposure to the hazards of the disease except for the following:

(1) In all cases of occupational diseases caused by the inhalation of silica dust or coal dust, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within three (3) years after the last day of the last exposure to the hazards of the disease.

(2) In all cases of occupational disease caused by the exposure to radiation, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within two (2) years from the date on which the employee had knowledge of the nature of the employee's occupational disease or, by exercise of reasonable diligence, should have known of the existence of such disease and its causal relationship to the employee's employment.

(3) In all cases of occupational diseases caused by the inhalation of asbestos dust, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within three (3) years after the last day of the last exposure to the hazards of the disease if the last day of the last exposure was before July 1, 1985.

(4) In all cases of occupational disease caused by the inhalation of asbestos dust in which the last date of the last exposure occurs on or after July 1, 1985, and before July 1, 1988, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within twenty (20) years after the last day of the last exposure.

(5) In all cases of occupational disease caused by the inhalation of asbestos dust in which the last date of the last exposure occurs on or after July 1, 1988, no compensation shall be payable unless disablement (as defined in subsection (e)) occurs within thirty-five (35) years after the last day of the last exposure.

(g) For the purposes of this chapter, no compensation shall be payable for or on account of death resulting from any occupational disease unless death occurs within two (2) years after the date of disablement. However, this subsection does not bar compensation for death:

- (1) where death occurs during the pendency of a claim filed by an employee within two (2) years after the date of disablement and which claim has not resulted in a decision or has resulted in a decision which is in process of review or appeal; or
- (2) where, by agreement filed or decision rendered, a compensable period of disability has been fixed and death occurs within two (2) years after the end of such fixed period, but in no event later than three hundred (300) weeks after the date of disablement.

(h) As used in this chapter, "billing review service" refers to a person or an entity that reviews a medical service provider's bills or statements for the purpose of determining pecuniary liability. The term includes an employer's worker's compensation insurance carrier if the insurance carrier performs such a review.

(i) As used in this chapter, "billing review standard" means the data used by a billing review service to determine pecuniary liability.

(j) As used in this chapter, "community" means a geographic service area based on zip code districts defined by the United States Postal Service according to the following groupings:

- (1) The geographic service area served by zip codes with the first three (3) digits 463 and 464.
- (2) The geographic service area served by zip codes with the first three (3) digits 465 and 466.
- (3) The geographic service area served by zip codes with the first three (3) digits 467 and 468.
- (4) The geographic service area served by zip codes with the first three (3) digits 469 and 479.
- (5) The geographic service area served by zip codes with the first three (3) digits 460, 461 (except 46107), and 473.
- (6) The geographic service area served by the 46107 zip code and zip codes with the first three (3) digits 462.

(7) The geographic service area served by zip codes with the first three (3) digits 470, 471, 472, 474, and 478.

(8) The geographic service area served by zip codes with the first three (3) digits 475, 476, and 477.

(k) As used in this chapter, "medical service provider" refers to a person or an entity that provides medical services, treatment, or supplies to an employee under this chapter.

(l) As used in this chapter, "pecuniary liability" means the responsibility of an employer or the employer's insurance carrier for the payment of the charges for each specific service or product for human medical treatment provided under this chapter in a defined community, equal to or less than the charges made by medical service providers at the eightieth percentile in the same community for like services or products."

Sec. 6. The person who consumes utility services is personally liable for the utility services use tax.

Sec. 7. The department shall establish procedures for the collection of the utility services use tax from users, including deposit and reporting requirements, deposit dates, and reporting dates. Failure to comply with the procedures is subject to the penalties in IC 6-8.1.

- (1) is acquired in a transaction that is an isolated or occasional sale; and
- (2) is required to be titled, licensed, or registered by this state for use in Indiana.

(c) The use tax is imposed on the addition of tangible personal property to a structure or facility, if, after its addition, the property becomes part of the real estate on which the structure or facility is located. However, the use tax does not apply to additions of tangible personal property described in this subsection, if:

- (1) the state gross retail or use tax has been previously imposed on the sale or use of that property; or
- (2) the ultimate purchaser or recipient of that property would have been exempt from the state gross retail and use taxes if that purchaser or recipient had directly purchased the property from the supplier for addition to the structure or facility.

(d) The use tax is imposed on a person who:

- (1) manufactures, fabricates, or assembles tangible personal property from materials either within or outside Indiana; and
- (2) uses, stores, distributes, or consumes tangible personal property in Indiana.

(b) A power subsidiary or a person engaged as a public utility is a retail merchant making a retail transaction when the subsidiary or person furnishes or sells electrical energy, natural or artificial gas, water, steam, or steam heating service to a person for commercial or domestic consumption.

(c) Notwithstanding subsection (b), a power subsidiary or a person engaged as a public utility is not a retail merchant making a retail transaction in any of the following transactions:

(1) The power subsidiary or person provides, installs, constructs, services, or removes tangible personal property which is used in connection with the furnishing of the services or commodities listed in subsection (b).

(2) The power subsidiary or person sells the services or commodities listed in subsection (b) to another public utility or power subsidiary described in this section or a person described in section 6 of this chapter.

(3) The power subsidiary or person sells the services or commodities listed in subsection (b) to a person for use in manufacturing, mining, production, refining, oil extraction, mineral extraction, irrigation, agriculture, or horticulture. However, this exclusion for sales of the services and commodities only applies if the services are consumed as an essential and integral part of an integrated process that produces tangible personal property and those sales are separately metered for the excepted uses listed in this subdivision, or if those sales are not separately metered but are predominately used by the purchaser for the excepted uses listed in this subdivision.

(4) The power subsidiary or person sells the services or commodities listed in subsection (b) and all the following conditions are satisfied:

(A) The services or commodities are sold to a business that after June 30, 2004:

(i) relocates all or part of its operations to a facility; or

(ii) expands all or part of its operations in a facility;

located in a military base (as defined in IC 36-7-30-1(c)), a military base reuse area established under IC 36-7-30, the part of an economic development area established under IC 36-7-14.5-12.5 that is or formerly was a military base (as defined in IC 36-7-30-1(c)), a military base recovery site designated under IC 6-3.1-11.5, or a qualified military base enhancement area established under IC 36-7-34.

(B) The business uses the services or commodities in the facility described in clause (A) not later than five (5) years after the operations that are relocated to the facility or expanded in the facility commence.

(C) The sales of the services or commodities are separately metered for use by the relocated or expanded operations.

(D) In the case of a business that uses the services or commodities in a qualified military base enhancement area, the business must satisfy at least one (1) of the following criteria:

(i) The business is a participant in the technology transfer program conducted by the qualified military base (as defined in IC 36-7-34-3).

(ii) The business is a United States Department of Defense contractor.

(iii) The business and the qualified military base have a mutually beneficial relationship evidenced by a memorandum of understanding between the business and the United States Department of Defense.

However, this subdivision does not apply to a business that substantially reduces or ceases its operations at another location in Indiana in order to relocate its operations in an area described in this subdivision, unless the department determines that the business had existing operations in the area described in this subdivision and that the operations relocated to the area are an expansion of the business's operations in the area.

(5) The power subsidiary or person sells services or commodities that:

(A) are referred to in subsection (b); and

(B) qualify as home energy (as defined in IC 12-14-11-2); to a person who acquires the services or commodities after June 30, 2006, and before July 1, 2007, through a program administered by the division of family resources under IC 12-14-11.

SECTION 29. IC 6-2.5-5-16.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 16.5. (a) As used in this section, "home energy" has the meaning set forth in IC 12-14-11-2.

(b) Transactions involving home energy are exempt from the state gross retail tax if the person acquiring the home energy acquires it after June 30, 2006, and before July 1, 2007, through a program administered by the division of family resources under IC 12-14-11.

SECTION 30. IC 6-2.5-6-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 9. (a) In determining the amount of state gross retail and use taxes which a retail merchant must remit under section 7 of this chapter, the retail merchant shall, subject to subsections (c) and (d), deduct from the retail merchant's gross retail income from retail transactions made during a particular reporting period, an amount equal to the retail merchant's receivables which:

(1) resulted from retail transactions in which the retail merchant did not collect the state gross retail or use tax from the purchaser;

(2) resulted from retail transactions on which the retail merchant has previously paid the state gross retail or use tax liability to the department; and

(3) were written off as an uncollectible debt for federal tax purposes under Section 166 of the Internal Revenue Code during the particular reporting period.

(b) If a retail merchant deducts a receivable under subsection (a) and subsequently collects all or part of that receivable, then the retail merchant shall, subject to subsection (d)(6), include the amount collected as part of the retail merchant's gross retail income from

retail transactions for the particular reporting period in which the retail merchant makes the collection.

(c) This subsection applies only to retail transactions occurring after June 30, ~~2004~~ 2006. The right to a deduction under this section is **not** assignable. ~~only if the retail merchant that paid the state gross retail or use tax liability assigned the right to the deduction in writing.~~

(d) The following provisions apply to a deduction for a receivable treated as uncollectible debt under subsection (a):

- (1) The deduction does not include interest.
- (2) The amount of the deduction shall be determined in the manner provided by Section 166 of the Internal Revenue Code for bad debts but shall be adjusted to exclude:
 - (A) financing charges or interest;
 - (B) sales or use taxes charged on the purchase price;
 - (C) uncollectible amounts on property that remain in the possession of the seller until the full purchase price is paid;
 - (D) expenses incurred in attempting to collect any debt; and
 - (E) repossessed property.
- (3) The deduction shall be claimed on the return for the period during which the receivable is written off as uncollectible in the claimant's books and records and is eligible to be deducted for federal income tax purposes. For purposes of this subdivision, a claimant who is not required to file federal income tax returns may deduct an uncollectible receivable on a return filed for the period in which the receivable is written off as uncollectible in the claimant's books and records and would be eligible for a bad debt deduction for federal income tax purposes if the claimant were required to file a federal income tax return.
- (4) If the amount of uncollectible receivables claimed as a deduction by a retail merchant for a particular reporting period exceeds the amount of the retail merchant's taxable sales for that reporting period, the retail merchant may file a refund claim under IC 6-8.1-9. However, the deadline for the refund claim shall be measured from the due date of the return for the reporting period on which the deduction for the uncollectible receivables could first be claimed.
- (5) If a retail merchant's filing responsibilities have been assumed by a certified service provider (as defined in IC 6-2.5-11-2), the certified service provider may claim, on behalf of the retail merchant, any deduction or refund for uncollectible receivables provided by this section. The certified service provider must credit or refund the full amount of any deduction or refund received to the retail merchant.
- (6) For purposes of reporting a payment received on a previously claimed uncollectible receivable, any payments made on a debt or account shall be applied first proportionally to the taxable price of the property and the state gross retail tax or use tax thereon, and secondly to interest, service charges, and any other charges.
- (7) A retail merchant claiming a deduction for an uncollectible receivable may allocate that receivable among the states that are members of the streamlined sales and use tax agreement if the books and records of the retail merchant support that allocation.

SECTION 32. IC 6-3-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

- (1) income from real or tangible personal property located in this state;
- (2) income from doing business in this state;
- (3) income from a trade or profession conducted in this state;
- (4) compensation for labor or services rendered within this state; and
- (5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter) only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, ~~then~~ the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by ~~a fraction the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3). However, after a period of two (2) consecutive quarters of income growth and one (1) additional quarter (regardless of any income growth); the~~

~~fraction shall be computed as follows: the following:~~

(1) For all taxable years that begin ~~within the first calendar year immediately following the period; after December 31, 2006, and before January 1, 2008, a fraction.~~ The:

(A) numerator of the fraction is the sum of the property factor plus the payroll factor plus ~~one hundred thirty-three percent (133%)~~ **the product of the sales factor multiplied by three (3); and the**

(B) denominator of the fraction is ~~three and thirty-three hundredths (3.33): five (5).~~

(2) For all taxable years that begin ~~within the second calendar year following the period; after December 31, 2007, and before January 1, 2009, a fraction.~~ The:

(A) numerator of the fraction is the property factor plus the payroll factor plus ~~one hundred sixty-seven percent (167%)~~ **the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and the**

(B) denominator of the fraction is ~~three six and sixty-seven hundredths (3.67): (6.67).~~

(3) For all taxable years beginning ~~on or after January 1 of the third calendar year following the period; December 31, 2008, and before January 1, 2010, a fraction.~~ The:

(A) numerator of the fraction is the property factor plus the payroll factor plus ~~two hundred percent (200%)~~ **the product of the sales factor multiplied by eight (8); and the**

(B) denominator of the fraction is ~~four (4): ten (10).~~

(4) For all taxable years beginning ~~after December 31, 2009, and before January 1, 2011, a fraction.~~ The:

(A) numerator of the fraction is ~~the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and~~

(B) denominator of the fraction is ~~twenty (20).~~

(5) For all taxable years beginning ~~after December 31, 2010, the sales factor.~~

For purposes of this subsection, income growth occurs when the state's nonfarm personal income for a calendar quarter increases in comparison with the state's nonfarm personal income for the immediately preceding quarter at an annualized compound rate of five percent (5%) or more, as determined by the budget agency based on current dollar figures provided by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency. The annualized compound rate shall be computed in accordance with the formula $(1+N)^4 - 1$, where N equals the percentage change in the state's current dollar nonfarm personal income from one (1) quarter to the next. As soon as possible after two (2) consecutive quarters of income growth, the budget agency shall advise the department of the growth.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8)

times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

- (1) the individual's service is performed entirely within the state;
- (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
- (3) some of the service is performed in this state and:
 - (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or
 - (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. **Regardless of the f.o.b. point or other conditions of the sale,** sales of tangible personal property are in this state if:

- (1) the property is delivered or shipped to a purchaser **who is within Indiana**, other than the United States government; **within this state, regardless of the f.o.b. point or other conditions of the sale;** or
- (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:
 - (A) the purchaser is the United States government; or
 - (B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

- (1) the income-producing activity is performed in this state; or
- (2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

- (i) if and to the extent that the property is utilized in this state; or
- (ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

- (i) the property had a situs in this state at the time of the sale; or
- (ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

- (i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
- (ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) separate accounting;
- (2) **for a taxable year beginning before January 1, 2011**, the exclusion of any one (1) or more of the factors, **except the sales factor**;
- (3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
- (4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

- (1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
- (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

- (1) a foreign corporation; or
- (2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. **A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.**

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income

that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

- (1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
- (2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

SECTION 34. IC 6-3-4-4.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 4.1. (a) This section applies to taxable years beginning after December 31, 1993.

(b) Any individual required by the Internal Revenue Code to file estimated tax returns and to make payments on account of such estimated tax shall file estimated tax returns and make payments of the tax imposed by this article to the department at the time or times

and in the installments as provided by Section 6654 of the Internal Revenue Code. However, in applying Section 6654 of the Internal Revenue Code for the purposes of this article, "estimated tax" means the amount which the individual estimates as the amount of the adjusted gross income tax imposed by this article for the taxable year, minus the amount which the individual estimates as the sum of any credits against the tax provided by IC 6-3-3.

(c) Every individual who has adjusted gross income subject to the tax imposed by this article and from which tax is not withheld under the requirements of section 8 of this chapter shall make a declaration of estimated tax for the taxable year. However, no such declaration shall be required if the estimated tax can reasonably be expected to be less than four hundred dollars (\$400). In the case of an underpayment of the estimated tax as provided in Section 6654 of the Internal Revenue Code, there shall be added to the tax a penalty in an amount prescribed by IC 6-8.1-10-2.1(b).

(d) Every corporation subject to the adjusted gross income tax liability imposed by this article shall be required to report and pay an estimated tax equal to twenty-five percent (25%) of such corporation's estimated adjusted gross income tax liability for the taxable year. A taxpayer who uses a taxable year that ends on December 31 shall file the taxpayer's estimated adjusted gross income tax returns and pay the tax to the department on or before April 20, June 20, September 20, and December 20 of the taxable year. If a taxpayer uses a taxable year that does not end on December 31, the due dates for filing estimated adjusted gross income tax returns and paying the tax are on or before the twentieth day of the fourth, sixth, ninth, and twelfth months of the taxpayer's taxable year. The department shall prescribe the manner and forms for such reporting and payment.

(e) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed by the department on corporations failing to make payments as required in subsection (d) or (g). However, no penalty shall be assessed as to any estimated payments of adjusted gross income tax which equal or exceed:

- (1) twenty percent (20%) of the final tax liability for such taxable year; or
- (2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of the corporation's final adjusted gross income tax liability for such taxable year.

(f) The provisions of subsection (d) requiring the reporting and estimated payment of adjusted gross income tax shall be applicable only to corporations having an adjusted gross income tax liability which, after application of the credit allowed by IC 6-3-3-2 (repealed), shall exceed one thousand dollars (\$1,000) for its taxable year.

(g) If the department determines that a corporation's:

- (1) estimated quarterly adjusted gross income tax liability for the current year; or
- (2) average estimated quarterly adjusted gross income tax liability for the preceding year;

exceeds, before January 1, 1998, twenty thousand dollars (\$20,000), and, after December 31, 1997, ten thousand dollars (\$10,000), after the credit allowed by IC 6-3-3-2 (repealed), the corporation shall pay

the estimated adjusted gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or overnight by courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(h) **Subject to subsection (i)**, if a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

(i) The reports required by the department to administer the county income tax under IC 6-11-11 shall be filed on the schedule determined by the department.

SECTION 35. IC 6-3-4-8.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 8.1. (a) Any entity that is required to file a monthly return and make a monthly remittance of taxes under sections 8, 12, 13, and 15 of this chapter shall file those returns and make those remittances twenty (20) days (rather than thirty (30) days) after the end of each month for which those returns and remittances are filed, if that entity's average monthly remittance for the immediately preceding calendar year exceeds one thousand dollars (\$1,000).

(b) The department may require any entity to make the entity's monthly remittance and file the entity's monthly return twenty (20) days (rather than thirty (30) days) after the end of each month for which a return and payment are made if the department estimates that the entity's average monthly payment for the current calendar year will exceed one thousand dollars (\$1,000).

(c) If a person files a combined sales and withholding tax report and either this section or IC 6-2.5-6-1 requires the sales or withholding tax report to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.

(d) If the department determines that an entity's:

- (1) estimated monthly withholding tax remittance for the current year; or
- (2) average monthly withholding tax remittance for the preceding year;

exceeds ten thousand dollars (\$10,000), the entity shall remit the monthly withholding taxes due by electronic fund transfer (as defined in IC 4-8.1-2-7) or by delivering in person or by overnight courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the remittance is due.

(e) **Subject to subsection (f)**, if an entity's withholding tax remittance is made by electronic fund transfer, the entity is not required to file a monthly withholding tax return.

(f) The reports required by the department to administer the county income tax under IC 6-11-11 shall be filed on the schedule determined by the department.

Sec. 12. An ordinance adopted by the council before September 16 initially applies to the ensuing year. Unless waived by the department for good cause, an ordinance adopted after September 15 in a year initially applies to the year following the year of adoption by two (2) years.

Sec. 13. Except as provided by this article, an ordinance adopted by a council remains in effect until the earlier of:

- (1) the date specified in the ordinance; or
- (2) the date on which a subsequent ordinance amending or rescinding the ordinance is effective.

Sec. 14. Any member of the council may present a proposed ordinance to the council for passage.

Sec. 15. (a) A member of the council may present an ordinance to the council for passage by:

Sec. 17. After passing a resolution proposing an ordinance, a member initiating the proposed ordinance shall distribute a copy of the proposed ordinance to the county auditor of the county and a certified tally of the member's vote on the proposed ordinance. The county auditor shall treat any proposed ordinance presented to the county auditor under this section as a casting of all that member's votes in favor of the proposed ordinance.

Sec. 18. The county auditor shall deliver copies of a proposed ordinance that is received from a member under section 17 of this chapter to all the other members of the council not later than ten (10) days after receiving the proposed ordinance.

- (1) ordinance; and
- (2) results of the vote on the ordinance;

to the department and the department of state revenue by certified mail.

Sec. 24. Not later than ten (10) days after an ordinance is adopted, the county auditor shall publish a notice of the action under IC 5-3-1.

Chapter 4. Determination of Residency

Sec. 1. For purposes of this article, an individual shall be treated as a resident of the county in which the individual:

- (1) maintains a home, if the individual maintains only one (1) home in Indiana;
- (2) if subdivision (1) does not apply, is registered to vote;
- (3) if subdivision (1) or (2) does not apply, registers the individual's personal automobile; or
- (4) if subdivision (1), (2), or (3) does not apply, spends the majority of the individual's time spent in Indiana during the taxable year in question.

Sec. 2. Subject to section 3 of this chapter, the residence or principal place of business or employment of an individual is to be determined on January 1 of the year in which the individual's taxable year commences. If an individual changes the location of the individual's residence or principal place of employment or business to another county in Indiana during a year, the individual's liability for the tax is not affected.

Sec. 3. If an individual becomes a resident for purposes of IC 36-7-27 during a year because the individual:

- (1) changes the location of the individual's residence to a county in which the individual begins employment or business at a qualified economic development tax project (as defined in IC 36-7-27-9); or
- (2) changes the location of the individual's principal place of employment or business to a qualified economic development tax project and does not reside in another county in which the tax is in effect;

the individual's adjusted gross income attributable to employment or business at the qualified economic development tax project is taxable only by the county containing the qualified economic development tax project.

Chapter 5. Exempt Taxpayers

Sec. 1. A council may pass an ordinance to enter into reciprocity agreements with the taxing authority of a city, town, municipality, county, or other similar local governmental entity of any other state. A reciprocity agreement must provide that the income of Indiana residents is exempt from income taxation by the other local governmental entity to the extent income of the out-of-state residents who reside in the other local governmental entity is exempt from the tax in the Indiana county entering into the agreement.

Sec. 2. A reciprocity agreement adopted under this section may not become effective until it is also made effective in the other local governmental entity that is a party to the agreement.

Sec. 3. The form and effective date of any reciprocity agreement described in this section must be approved by the department of state revenue.

Chapter 6. Imposition of Tax

Sec. 1. A county income tax is imposed in each county.

Sec. 2. The tax is imposed on the adjusted gross income of:

- (1) each resident of; and
- (2) each out-of-state resident who maintains the individual's principal place of business or employment in;

the county for which the council is established.

Sec. 3. The tax on an out-of-state resident may be imposed only on the part of the out-of-state resident's adjusted gross income that is derived from the individual's principal place of business or employment.

Sec. 4. In the case of a resident of Perry County, the tax may not be imposed on the part of the individual's adjusted gross income that is:

- (1) earned in a county that is:
 - (A) located in another state; and
 - (B) adjacent to the county in which the taxpayer resides; and
- (2) subject to an income tax imposed by a county, city, town, or other local governmental entity in the other state.

Sec. 5. The tax rate imposed in a county is the sum of the following:

- (1) The tax rate imposed under IC 6-11-7.
- (2) The tax rate imposed under IC 6-11-8.
- (3) The tax rate imposed under IC 6-11-9.

Sec. 6. If for any taxable year a taxpayer is subject to different tax rates for the tax imposed by a particular county, the taxpayer's tax rate for the county and that taxable year is the rate determined in STEP THREE of the following STEPS:

STEP ONE: Multiply the number of months in the taxpayer's taxable year that precede July 1 by the rate in effect before the rate change.

STEP TWO: Multiply the number of months in the taxpayer's taxable year that follow June 30 by the rate in effect after the rate change.

STEP THREE: Divide the sum of the amounts determined under STEPS ONE and TWO by twelve (12).

Sec. 7. If the tax is not in effect during a taxpayer's entire taxable year, the amount of tax that the taxpayer owes for that taxable year equals the product of:

- (1) the amount of tax the taxpayer would owe if the tax had been imposed during the taxpayer's entire taxable year; multiplied by

- (2) a fraction. The numerator of the fraction equals the number of days in the taxpayer's taxable year during which the county option income tax was in effect. The denominator of the fraction equals the total number of days in the taxpayer's taxable year.

However, if the taxpayer files state income tax returns on a year basis, the fraction to be applied under this section is one-half (1/2).

Chapter 7. Tax Rate to Fund Controlled Tax Increases

Sec. 1. Except as provided in section 10 of this chapter, in each year, in addition to the part of the tax rate in effect in the county under IC 6-11-8 or IC 6-11-9, or both, a tax is imposed in each county at the rate necessary to raise the county's total allowable tax increase amount.

Sec. 2. The department, with the assistance of the department of state revenue and the budget agency, shall establish the rate required under section 1 of this chapter based on the best available economic forecast data available to the department before the later of November 1 or the date set by the department.

Sec. 3. The total tax imposed under section 1 of this chapter shall be treated as a controlled tax.

Sec. 4. For purposes of this chapter, a county's total allowable tax increase amount under this chapter is equal to the sum of each political subdivision's total allowable tax increase amounts allowed in the county after 2006.

Sec. 5. For purposes of this chapter, a political subdivision's total allowable tax increase amount under this chapter is equal to the sum of the annual controlled tax increase amounts allowed in the county for the political subdivisions in each year after 2006.

Sec. 6. For purposes of this chapter, a political subdivision's annual controlled tax increase in a county for any particular year is the amount determined under STEP THREE of the following formula:

STEP ONE: Subtract the political subdivision's controlled tax limit in the county for the immediately preceding year from the political subdivision's controlled tax limit in the county for the ensuing year.

STEP TWO: Subtract the political subdivision's controlled levy limit in the county for the immediately preceding year from the political subdivision's controlled levy limit in the county for the ensuing year.

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

Sec. 7. Subject to section 8 of this chapter, a negative result for a political subdivision under section 6 of this chapter reduces the political subdivision's total allowable tax increase amount that may be funded from taxes imposed under this chapter.

Sec. 8. A political subdivision's total allowable tax increase amount under this chapter may not be less than zero (0).

Sec. 9. (a) This section applies to a school corporation.

(b) A separate annual controlled tax increase and total allowable tax increase amount shall be computed for each of the following:

- (1) A school corporation's school general fund and charter schools taxes imposed under IC 6-1.1-19-1.5.
- (2) A school corporation's transportation fund taxes imposed under IC 21-2-11.5-3.

(3) A school corporation's school bus replacement fund taxes imposed under IC 21-2-11.5-3.

(c) None of the separate school corporation's total allowable tax increase amounts under subsection (b) may be less than zero (0).

Sec. 10. Subject to section 11 of this chapter, instead of funding all of a county's total allowable tax increase amount from county income taxes, a council may adopt an ordinance to fund the annual controlled tax increases attributable to one (1) or more years from controlled property taxes. Adoption of the ordinance does not increase the controlled levy limit of any political subdivision in the county. Notice of the proposed ordinance must be given under IC 6-11-3-15 before the date specified in IC 6-11-3-16. If an ordinance adopted under this section applies to the annual controlled tax increases attributable to a particular year the ordinance must require that all of the annual controlled tax increases attributable to the particular year be funded by controlled property taxes.

Sec. 11. A council, either through an ordinance terminating a tax or an ordinance reducing the tax rate, may not decrease a tax imposed under this chapter below the tax rate necessary to continue the part of an allocation of taxes to a political subdivision that the political subdivision has pledged to pay or fund bonds, leases, or another obligation permitted by IC 5-1-14 or another law.

Sec. 12. Subject to IC 6-13-22-11 concerning the treatment of distributions to a county that qualify as excess revenue, the part of the tax imposed under this chapter is allocated among the political subdivisions in the county in proportion to the part of the county's total allowable tax increase amount that is:

- (1) attributable to each political subdivision; and
- (2) funded by taxes under this article.

Any annual controlled tax increase that is not funded by taxes under this chapter as the result of the adoption of an ordinance under section 10 of this chapter may not be considered in determining a political subdivision's allocation of taxes under this section.

Sec. 13. Subject to any law limiting the use of a political subdivision's revenues, a political subdivision may use taxes allocated to a political subdivision under this chapter for any governmental or public purpose, including any purpose for which a county adjusted gross income tax, a county option income tax, or a county economic development tax could be used before 2007.

Sec. 14. The county auditor shall retain from taxes allocated to a political subdivision under this chapter an amount equal to any:

- (1) reserve or settlement required under IC 6-11-13;
- (2) assignment authorized under IC 6-11-14; or
- (3) special allocation authorized under IC 6-11-15;

that is payable from taxes imposed under this chapter in the manner and under the schedule determined under IC 6-11-13.

Sec. 15. The remainder of an allocation of taxes imposed under this chapter shall be distributed to the political subdivisions in the county in the manner and under the schedule determined under IC 6-11-13.

Sec. 16. A political subdivision shall deposit the amount distributed to the political subdivision under this chapter among the funds of the political subdivision as provided in the political subdivision's budget for the year in which the tax being

distributed was imposed, including any amount budgeted for deposit in the political subdivision's rainy day fund. Money deposited in a fund under this section may be used for any purpose for which money in the fund may be used or transferred to another fund as authorized by law.

Sec. 17. The amount raised under this chapter and retained by a county auditor as an assignment or a special allocation may be used only for the purposes of the assignment or the special allocation.

Sec. 18. Subject to IC 6-13-22-11 concerning excess revenue, an amount retained in excess of the amount necessary for the purposes of a reserve, a settlement, an assignment, or a special allocation shall be distributed to the political subdivision from which the amount was retained. The amount distributed under this section does not reduce the controlled tax limit or allocation amount for a political subdivision in any year.

Chapter 8. Optional Additional Income Tax

Sec. 1. In addition to a tax in effect in the county under IC 6-11-7 or IC 6-11-9, or both, a council may adopt an additional tax under this chapter for the county.

Sec. 2. The tax rate imposed for a tax under this chapter in a county may not exceed the greater of the following:

- (1) One percent (1%).
- (2) The rate determined under sections 5 and 6 of this chapter, if sections 5 and 6 of this chapter apply to the county.

Sec. 3. A tax imposed under section 1 of this chapter (including a tax described in section 4 of this chapter) shall be treated as an excluded tax.

Sec. 4. An ordinance adopted in a county before April 1, 2006, that would have initially imposed any of the following in 2007 or authorized the continuation of any of the following after 2006 if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed shall be treated after 2006 as an ordinance adopted under section 1 of this chapter:

- (1) County adjusted gross income tax.
- (2) County option income tax.
- (3) County economic development tax.

Sec. 5. Subject to the reductions under section 6 of this chapter, the tax rate imposed in 2007 under section 4 of this chapter is equal to the combined:

- (1) county adjusted gross income tax rate or county option income tax; and
- (2) county economic development rate;

that the county would have imposed in 2007 (after deducting any part of the tax rate attributable to a law listed in IC 6-11-9-11) if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed.

Sec. 6. Section 4 of this chapter does not prohibit a council from adopting an ordinance after June 30, 2006, to increase the tax rate determined under section 5 of this chapter as long as the total tax rate imposed under this chapter does not exceed the maximum rate specified in section 2 of this chapter.

Sec. 7. Taxes imposed under this chapter shall be allocated among the civil taxing units in the county based on the formulas described in the following:

OPTION	DESCRIPTION
Option 1	Section 18 of this chapter.
Option 2	Section 19 of this chapter.

Option 3	Section 20 of this chapter.
Option 4	Section 21 of this chapter.
Option 5	Section 22 of this chapter.

Sec. 8. The formulas to be applied in a county depends on the:

- (1) combination of county adjusted gross income taxes, county option income taxes, and county economic development taxes imposed in the county in 2006; and
- (2) elections adopted by the council after June 30, 2006.

Sec. 9. The department shall establish five (5) tax option ratios for each county.

Sec. 10. The sum of the ratios established under section 9 of this chapter must add to one (1).

Sec. 11. (a) This section applies to a county that would not have received a certified distribution of county adjusted gross income tax, county option income tax, or county economic development tax in 2007 if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed.

(b) The county's tax option ratios are as follows:

OPTION	RATIO
Option 1	1
Option 2	0
Option 3	0
Option 4	0
Option 5	0

(c) The eligible civil units are the following:

- (1) Any political subdivision that has the power to impose a property tax, other than a school corporation or a county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113).
- (2) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) if a majority of the members of each of the county fiscal bodies of the counties within the district passes a resolution approving an allocation of taxes under this chapter.

(d) An eligible civil unit's allocation factor for a year is the eligible civil taxing unit's controlled tax limit for a year.

(e) The tax imposed under this chapter shall be allocated under Option 1 in section 18 of this chapter.

Sec. 12. (a) This section applies to a county that would have received a certified distribution of county adjusted gross income tax, county option income tax, or county economic development tax in 2007 if IC 6-3.5-1.1, IC 6-3.5-6, and IC 6-3.5-7 had not been repealed.

(b) Subject to section 10 of this chapter, the tax option ratios that apply in the county are:

- (1) the ratios adopted by the council by ordinance; or
